Dental Hygiene (DH), Radiologic Technology(RT), & Nursing (ADN): Cabrillo Allied Health Programs

New Program Application Process Effective November 1st, 2011

Effective November 1, 2011 all Cabrillo College Allied Health (ALH) programs (ADN, DH, and RT) will adhere to a NEW Application Process.

Beginning November 1, 2011 all ALH programs (ADN, DH, and RT) will only accept applications with postmarks during the two month application period beginning May 1, 2012 and ending June 30, 2012.

Applications will be accepted according to current application process through October 31, 2011. Please see program web pages for details on *current* application process.

Application forms will NOT be available from November 1, 2011 to April 30, 2012.

All ALH programs (DH, RT and ADN) will post NEW INSTRUCTIONS for applications in November of 2011.

Applications MUST be sent by USPS Certified Mail and postmarked during the application period

Application packets received outside of the application period will NOT be accepted. Applicants will receive written notice explaining why the application packet was disqualified. Applicants will be invited to re-apply during the application period. Application packets, including all transcripts, will NOT be returned to students and will be shredded. Please refer to the [Cabrillo College Catalog](#), the Admission and Registration section, [Transcripts of Previous Education](#).

On April 30, 2012 the NEW Application form will be posted to each of the ALH programs' web sites: [ADN DH](#), [RT](#). Before applying to any of the Allied Health programs (ADN, DH, and RT) please read all instructions *carefully and completely*. After reviewing the information on the web site and reading all instructions, if you still have questions, please contact the program office staff or an academic counselor.
