CWEE Final Project for Nursing

Name:_____Class:_____Section:_____Semester:_____
WEI:_____WorkSite:_____Supervisor:_____

DIRECTIONS: Please complete each of the questions with a minimum of three sentences. *Feel free to elaborate*.

1. Did you accomplish your Learning Objectives? Whether you did or not, please describe how this experience has contributed to your development as a Registered Nurse.

2. Please describe three ways (positive and/or negative) your CWEE preceptor influenced your skill development.

3. Would you recommend that CWEE be a required component of the RN program? Yes or No. Why?

4. Please provide at least three suggestions that detail how hospitals/clinics might change their processes to better serve and ensure their patients physical well-being.

5. Are there any contributing comments you would like to make about the nursing CWEE program? Your answer will be used to guide and refine future CWEE questionnaires.
