

British Invasion 2

Back by popular demand, we'll be rockin' to a variety of British favorites... it could be Pink Floyd, Coldplay, hey--come and find out! Last time violins, violas, cellos and bass climbed the 'Stairway to Heaven'. What new heights shall we attain this round? We'll also groove to early British classics from composers like Holst and Elgar. Independent recording artist, Deby Benton Grosjean, fiddler on two CDs for famous rock band **Journey**, conducts this rockin' chamber string ensemble. This course is for youths of intermediate to advance levels through the Cabrillo Youth Strings. Let Deby know if you have any music requests.

Classes are mostly held at Calvary Episcopal Church in Santa Cruz on Wednesdays and only a few Fridays at Cabrillo College (TBA). Plus, a concert at Cabrillo to share your new music is open to the public. Talk to Deby if you have any questions regarding the rehearsals. Also, let her know, if you can play third position (and beyond).
