THE CABRILLO STRINGS/SUZUKI MUSIC PROGRAM

*Cabrillo
College*

ABOUT OUR PROGRAM

The Cabrillo Strings/Suzuki Music Program provides a complete musical education for children through a combination of private lessons and group ensemble instruction. (Students begin studying the Suzuki method and other materials with their parents and teachers, learning music much the way they learn to speak – through listening and imitation.) Music reading is introduced during private instruction and expanded upon in the Beginning, Intermediate, and Cabrillo String Orchestras. We believe in the talent in every child and strive to make music available to as many students as possible.

OUTSTANDING FACULTY

Members of the faculty have been involved in San Jose, Santa Cruz, and Monterey County Symphonies, the Cabrillo Music Festival, the Santa Cruz chamber players, and other respected organizations. Faculty members perform regularly and are among the leaders in the field of music education in Santa Cruz county and beyond.

ACCOMPLISHMENTS

With over 20 years of service to the community, the Cabrillo Strings/Suzuki Music Program has won praise from music educators from around the San Francisco and Monterey Bay areas. Students and alumni have won scholarships and awards from a variety of prestigious organizations including the Music Teachers' Association of America. They have also earned places in California's All-State Orchestras, and in nationally recognized music schools and institutes throughout the country.

FUNDING RESOURCES

In recognition of our quality efforts, the David and Lucile Packard Foundation has contributed to our program for over a decade. In addition, we have established the Muller, Kretschmer, Rebele and Chen Endowments to make scholarships available to our students. Please join them. With your help, we can bring the joy of music to the talented and deserving youth of Santa Cruz County.

"The Cabrillo Strings program was one of the most exciting musical experiences I could have chosen for my son."

Chris Watson – Parent
