

Cabrillo College Associate Degree Nursing Program
ACCEPTED STUDENT WAIT LIST positions as of 10/1/09.
Student are listed by last name, with first and middle initial.
Wait list position are noted in the left column

Cabrillo College Nursing Program currently admits 30 students every semester, in February and August. Cabrillo's Nursing program has an Application/Selection Process that allows students to submit an application at any time, once all prerequisites have been completed. Those who submit a completed application packet, and who have completed the pre-requisites with the required GPA, will be added to our waitlist, in order, **based on the certified mail postmark date of their application packet.** We rigorously control the wait list based exclusively on your application postmark. Students on the waitlist are guaranteed placement into the program.

In order to maintain a position on our wait list, every March and October all waitlisted students must print a **Wait List Intent Form** from the web page, complete it and mail it to our office via certified mail postmarked by the date specific on the form. **Failure to submit Wait List Intent Forms with the required postmark date, via certified mail, will result in a student's removal from the wait list.**

NOTICE TO ALL WAIT LISTED STUDENTS – PLEASE READ CAREFULLY!:

A downloadable version of the current **Wait List Intent Form** can be found on the Nursing Program Home page. After viewing your wait list position please return to the [Wait List Information page](#) to download and complete your Wait List Intent Form per the instructions on the form.
