AHA CPR-BLS for the Healthcare Provider (HCP) \$70.00

This is a 2 year certification course intended for those that are required to have the Healthcare Provider Course for employment or schooling. The content of the course teaches CPR for adult, child and infant (including ventilation with a barrier device and bag-mask device). Treatment of cardiac arrest with an automated external defibrillator (AED) and care of choking victims of all ages is also covered. Contact Kris Hurst at (831) 239-7031 or email kr_hurst@yahoo.com if you have questions or wish to register. Checks are made to Cabrillo EMT.

Online AHA CPR-BLS Healthcare Provider (HCP) Certification & Renewal Skills Practice Session and Test by appointment

Anyone can take the online BLS-HCP course (\$17.50) at www.onlineaha.org followed by a manikin skills test (\$40.00) at Cabrillo College. Come prepared to demonstrate skills. 30 minutes of practice time with skill sheets and manikins is provided prior to testing. You must bring your on-line printed course completion certificate to the skills testing session. If you have questions or wish to schedule a manikin test, call (831) 239-7031.
