5.0 New Business

5.1 DSPS

DSPS, a categorically funded program, has been targeted with substantial cuts. At this meeting we will begin a discussion of DSPS, focusing on background issues.

5.2 TEXTBOOKS

Beginning in July 2010, the college will need to make available textbook costs available at the time that students register for classes. This, and other changes made by the Higher Education Opportunity Act, will have an impact on procedures for faculty selection of textbooks. The senate will discuss these issues in order to help shape new policy and inform our colleagues.

5.3 BUDGET SITUATION: FACULTY POSITIONS

Last year, the eight full-time faculty that retired were not replaced, and two full-time faculty were terminated due to program reduction. We've lost a large number of adjunct faculty due to the unit reductions. This year, we are not conducting our usual Faculty Prioritization Process because of the budget situation. The senate will continue our ongoing discussion of the budget situation, this time with an emphasis on faculty positions.

6.0 Open Forum and Agenda Building
