The Board is committed to fulfilling the requirements and standards established by these agencies.~~

The Superintendent/President shall ensure the District complies with the accreditation process and standards of the Accrediting Commission of Community and Junior Colleges and of other District programs that seek special accreditation.

The Superintendent/President or designee shall keep the Board informed of approved accrediting organizations and the status of accreditations and shall provide the Board with a summary of any accreditation report and any actions taken or to be taken in response to recommendations in an accreditation report.
