#### D. Guide Lines for Funding Approval

- Critical thinking must be taken to decide how funding should be allocated.

Standing tall moves to extend time.

Hormigas seconds

  - **The issue will be further discussed next meeting**

- Concerned about request from ICC for additional funding.

- Want there to be other other means of providing funding, not relying only on requests from the Student Senate.

- Standing Tall: Believes there is no check and balance system in the Student Senate and is concerned about how they can approve there own funding.
  - ASCC president clarifies that the Student Senate is not a club.
