

Cabrillo College United Youth

The purpose of Cabrillo College United Youth is not only to unite former foster youth with those that have not been in care, but it is also to create a safe place for all people. With Cabrillo College United Youth, you do not have to have an interest in anything specific, nevertheless an interest in foster care. We want everyone to feel like they are part of a community. Whether it be having a pizza party with our club, or even having a game night, we want everyone to know that they are by no means alone.
