"Add to good character, knowledge and judgment"

February 22nd, 2009 — Issue #1

Dear AGS Members,

Welcome to Alpha Gamma Sigma! The honors society of Cabrillo College is a group of dedicated and motivated students who are committed to providing our academic and local community with the services it requires to become the best it can be. As a member, or prospective member, of AGS *you* are a part of this group and the Executive Board is so happy to welcome you!

The AGS Newsletter is a weekly periodical that is emailed to all members. Important information about club events, scholarships, AGS Point opportunities, and also summaries of our general meetings are included in the newsletter each week.

Thank you so much for joining AGS, we are excited to get to know our new members and thrilled to see so many students returning for the semester. I can tell that Spring 2009 is going to be fantastic!

If you have any questions about Alpha Gamma Sigma, please do not hesitate to ask me or any members on the Executive Board.

Best Wishes,

Chloé Woodmansee

Feature Articles

1. February 18th Meeting:

Alpha Gamma Sigma held its first general meeting on Wednesday, February 18th, in the cafeteria. Over 150 people attended, and over 200 membership applications were received. The Executive Board was happy to meet all the new students interested in AGS, and it was great to see so many familiar faces back for another great semester.

The chocolate fountain and other delicious treats were a huge hit, and the raffle prizes were all given away to promising new members.

Skye Gentile, an AGS advisor and communications professor at Cabrillo, welcomed everyone at the meeting and explained what joining AGS can offer you as a student. Every semester members of AGS are given the opportunity to apply for scholarships, gain leadership skills, meet new people, form bonds with other honors students, and

contribute to Cabrillo's academic community.

Alpha Gamma Sigma is the only club on campus that allows its members to receive notation on official school transcripts, and AGS is recognized as a highly reputable and respected state wide society.

For information on how to join, please visit our website or drop by the SAC East Building anytime to pick up an application.

Quote of the Week

Just for Fun

With Valentine's Day over and Spring Break seemingly far away, I'm feeling a little starved for "Excitement". Here are a couple things that always cheer me up:

- 1) Do something nice for a friend. Watching them smile will brighten your day.
- 2) Go to a movie at the Nickelodeon and while you're there get a piece of China Bakery cake. Trust me, this cake is amazing.

And...for all of you new to AGS:

- 3) Check out the SAC East building (we have a refrigerator) and meet some fellow AGS members!
