| 1959 | The new college's Governing Board, (elected in January 1959) chose the name "Cabrillo College"  
     | 800 day and evening students enrolled in freshman classes at the Watsonville High School |
| 1960 | A sophomore class was added  
     | Present site selected by Governing Board and Committee  
     | $6.5 million bond issue proposed; 77% “yes” vote to bond, June, 1960 |
Vote for Cabrillo College
Aptos Campus 1961-62

- Construction of the Aptos campus began in 1961
- Phase I, II & III construction
  - Buildings 100, 200, 300, 500, 600, 700, 900, 1000 & 1100
- More than 2,000 day and evening students enrolled in September 1962.
- The campus was built to accommodate 2,500 students.
Aptos Campus 1965-66

- District voters gave an 81% "yes" vote on a $1.1 million bond issue in April 1965 for expansion.

- Construction of three additional major classroom structures began in 1966.

- Phase IV Construction
  
  - Buildings 400, 450 & 800

- Capacity increased to 5,000 students.
Cabrillo College 1972-73

- State Community College Construction funds make a second expansion of campus facilities possible.
  - Approval of state community college construction funds in November 1972

- Twenty acres of property on the ocean side of Soquel Drive were purchased, and four new buildings were constructed.
  - 1300 building
  - 1400 Building
  - 1500/1550 Building
  - 1600 Building
In fall 1987, Watsonville Center opened—a major expansion in off-campus offerings.

In the 1990s, a few buildings were remodeled that housed technology-related instruction due to an increase in funding for schools.
- Barrier Removal ADA Access
- 350 Building Photolab
- 900 cafeteria kitchen
- 1000 Building LRC expansion
- 1700 Building Baskin Childcare
- 1800 Building Sesnon House restoration

In 1993 the old Watsonville Post Office was remodeled by the City of Watsonville to house the Cabrillo Watsonville Center.
• Measure C

  o Measure C passed in June of 1998
  o Campus repairs, renovations and expansion begin
  o Expansion of outreach facilities to include Watsonville
  o Addition of a two story parking structure and a road realignment project. This would make way for the new Student Activities Center and the Visual Applied & Performing Arts Complex.
  o The Watsonville Center re-opened in the remodeled Post Office and Comerica Bank site in the fall of 2001 in order to build the 3 story building.
  o The Environmental Horticulture Center and Botanic Gardens opened in fall 2002
Cabrillo College 2004
Measure D Passes

• A $118.5 million bond measure approved in March 2004:
  o Health careers training programs expanded
  o Classrooms improvements
  o Watsonville Center expansion
  o Create a presence in Scotts Valley Center
    ▪ (More than 600 students enrolled in the opening semester 2007).
  o Student Activities Center construction moves forward
    ▪ (October 2007 Barbara Samper Student Activities Center opened)
