

Cabrillo College

6500 Soquel Drive, Aptos, CA 95003

Bid No. B13-04
Building 600 Hazmat Abatement
Old Dental Hygiene Clinic

Addendum No. 1

This Addendum No. 1 sets forth modifications to portions of the bid and contract documents for the above-referenced work described as:

Building 600 Hazmat Abatement Old Dental Hygiene Clinic

Asbestos, Lead and PCB Abatement Project Specifications-Clarifications

- 1) Page 02 82 00-20, 1.3.3 Site Conditions

Add the following language to D. Dumpster location:

Plan on being able to use a couple of parking spaces from Parking Lot H to park a dumpster. They may not necessarily be the ones closest to the work area.

- 2) Asbestos, Mercury and PCB Scope of Work

Page 12-228, Item #6

Add the following language to Item 6:

Casework to be demolished, unless tagged by the District for storage, in which casework is to be moved to a storage area on campus designated by the District.

- 3) Asbestos, Mercury and PCB Scope of Work

Page 12-228, Item #12

Add the following language to Item #12, Non-Abatement Item:

Fixed seats in Room 612 are to be reused by the District. Remove seats and related hardware to a storage area on campus designated by the District.
