<http://www.cabrillo.edu/programs>**Accounting/Finance Occupational Program****ACCOUNTING****Accounting A.S. Degree****Career Opportunities**

Accounting graduates set up accounting systems that allow businesses or individuals to organize, maintain, and audit financial records. In their work, accountants may be involved in preparing tax returns, budgets, and financial statements, recording business transactions, advising businesses on accounting systems, or auditing financial records. Employment opportunities in accounting are plentiful, and are expected to continue to grow in the foreseeable future.

The Accounting program is designed to provide students with the skills and knowledge required for entry-level positions in accounting, industry, government, financial institutions, and small businesses. The program encompasses classroom instruction and extensive hands-on application with both manual and computerized accounting systems. Cabrillo College offers a Skills Certificate in Bookkeeping and Financial Management, a Certificate of Achievement in Accounting, and an Associate of Science degree in Accounting.

Learning Outcomes:

1. Develop, create, and maintain an accounting process and book-keeping system for a business organization.
2. Create, manage, and maintain records and financial statements for managers of a business organization.
