Kinesiology A.A.-T Transfer Degree
Kinesiology is the academic discipline concerned with the art and science of human movement. Kinesiology may also be listed as Physical Education or Human Performance at some campuses. Students may pursue Bachelors and graduate degrees with emphasis in adaptive physical education, athletic training, physical therapy, dance, movement sciences, sports management, teaching, and coaching which provide numerous career opportunities in both the public, and private sectors.
Cabrillo offers options for degrees in Kinesiology. The first option listed below is an Associate in Arts in Kinesiology for Transfer (A.A.-T), which is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees are guaranteed admission to the CSU system, but not to a particular campus or major. See Associate Degree for Transfer information in the Cabrillo College Catalog. Students pursuing transfer to a specific campus or major concentration should pay careful attention to the courses they choose from List A to insure major preparation for their preferred campus.

The following is required for all A.A.-T or A.S.-T degrees:
- Completion of 60 CSU-transferable semester units.
- Minimum grade-point average (GPA) of at least 2.0 in all CSU-transferable coursework. While a minimum of 2.0 is required for admission, some majors may require a higher GPA.
- Completion of a minimum of 18 semester units in the major with a letter grade of “C” or better, or a “P” if the course is taken on a “Pass/No Pass” basis.
- Certified completion of the California State University General Education- Breadth pattern (CSU GE Breadth) or the Intersegmental General Education Transfer Curriculum (IGETC) pattern.

Learning Outcomes
The Cabrillo College Core Competencies (with an emphasis in the study of Kinesiology):
1. Communication: Reading, Writing, Listening, Speaking, and/or Conversing
2. Critical Thinking and Information Competency: Analysis, Computation, Research, Problem Solving

Movement Based Courses

- You must take one course from three of the four different areas for an overall 3-unit minimum. One 3-unit course will not complete the Movement-Based Course requirement. Each course should be taken for 1 unit. Other KIN and DANCE courses may be used for the Movement Based Courses requirement IF they are documented as lower-division major preparation for the Similar Major at a CSU. Students may also substitute a higher level course (i.e. level B or C).

Model Program for Kinesiology

An Associate Degree requires 60 units appropriate to your educational goal, to include general education and at least 18 units in a major. Courses should be selected to meet the lower-division major preparation requirements at your intended transfer university - these specific requirements can be found at www.assist.org for 4-year public institutions in California. Please see a counselor for advice to ensure that you are taking the best possible courses given your goal.

The department presents the following suggested Model Program for this major. The courses listed below may or may not be appropriate depending on your specific goal. Please see a counselor for advice to transfer to any 4-year institution.

Most KIN activity courses may be used to meet general education Area E, Lifelong Understanding and Self-Development for Cabrilo's non-transferable Associate degrees, when combined with other non-activity Area E units from the CG or CEC departments.
