SPED 210   Adaptive Speech and Language Skills
0.5 – 5 units; 0.5 – 5 hours Lecture or 1.5 – 15 hours Laboratory
Prerequisite: Must be able to follow group instruction and be independent in self-management (or provide care attendant).
Recommended Preparation: Eligibility for Accessibility Support Center (ASC) services; SPED 215.
Repeatability: May be taken a total of 1 time.
Provides communication skills and strategies for students with physical/neurological limitations and other Accessibility Support Center documented disabilities. Emphasis on practical application of skills in language, cognition, and social dynamics. Offered in the Stroke and Disability Learning Center.
Transfer Credit: Non-transferable.

SPED 215   Orientation to Stroke and Disability Learning Center
0.5 – 1 units; 0.5 – 1 hours Lecture or 1.5 – 3 hours Laboratory
Prerequisite: Must be able to follow group instruction and be independent in self-management (or provide care attendant).
Recommended Preparation: Eligibility for Accessibility Support Center (ASC) services. Repeatability: May be taken a total of 1 time.
Provides counseling, review of skills and overview of interdisciplinary program for students with physical/neurological limitations. Includes the development of Student Educational Contract (SEC). Offered in the Stroke and Disability Learning Center.
Transfer Credit: Non-transferable.

SPED 216   Exploring Abilities
0.5 – 5 units; 0.5 – 5 hours Lecture or 1.5 – 15 hours Laboratory
Prerequisite: Must be able to follow group instruction and be independent in self-management (or provide care attendant).
Recommended Preparation: Eligibility for Accessibility Support Center (ASC) services; SPED 215.
Repeatability: May be taken a total of 1 time.
Counsels students with physical/neurological limitations on techniques to understand and manage deficits, increase readiness for educational objectives, develop new abilities, and maximize use of college and community resources. Offered in the Stroke and Disability Learning Center.
Transfer Credit: Non-transferable.

SPED 220A-Z   Special Topics in Adaptation and Abilities
0.5 – 5 units; 0.5 – 5 hours Lecture or 1.5 – 15 hours Laboratory
Prerequisite: Must be able to follow group instruction and must be independent in self-management (or provide care attendant).
Recommended Preparation: Eligibility for Accessibility Support Center (ASC) services; SPED 215.
Repeatability: May be taken a total of 1 time.
Selected topics in Adaptation and Abilities not covered by regular catalog offerings. Each special topic course will be announced, described, and given its own title and letter designation in the Schedule of Classes. The structure and format of the classes will vary depending on the subject matter. Focus on assessment, counseling and instruction related to speech, language and communication limitations, social/cognitive deficits, acquired brain injuries, and other physical/functional challenges.
Transfer Credit: Non-transferable.
