

HISTORY OF CABRILLO COLLEGE

Residents of Santa Cruz and Monterey counties living in the San Lorenzo, Santa Cruz, and Watsonville high school districts approved formation of a two-year college district in 1958.

The Governing Board, elected in January 1959, chose the name "Cabrillo College" and employed staff to begin instruction in September of the same year. More than 800 day and evening students enrolled in freshman classes in temporary quarters at the Watsonville High School campus; sophomores continued to attend neighboring junior colleges. The College added sophomore classes to its program in September 1960.

The Governing Board, assisted by citizen committees, selected the present campus site and proposed a \$6.5 million bond issue during the first year. Voters gave a 77% "yes" vote to the proposal in June 1960.

Construction of the permanent campus in Aptos began in 1961, and more than 2,000 day and evening students enrolled at the new facility in September 1962. The campus was built to accommodate 2,500 students.

The College began construction of three additional major classroom structures in 1966. To help finance campus expansion, voters of the district gave an 81% "yes" vote on a \$1.1 million bond issue in April 1965. Completion of these buildings increased campus capacity to 5,000 students.

A second expansion of campus facilities was made possible by approval of state community college construction funds in November 1972 and the passage of a local matching fund bond of \$3 million in April 1973. Twenty acres of property on the ocean side of Soquel Drive were purchased, and four new buildings were constructed. In the 1990s, two buildings were remodeled and now house technology-related instruction.

In June of 1998, the voters again overwhelmingly supported the College by passing a bond measure for repairs, renovations and expansion of the existing campus, as well as expansion of outreach facilities.

A major expansion in off-campus offerings occurred in fall 1987 with the opening of the Watsonville Center. In 1993, the old Watsonville Post Office was remodeled by the City of Watsonville to house the Cabrillo College Watsonville Center. After the passage of Measure C in 1998, Cabrillo College worked closely with the City of Watsonville to purchase both the old Post Office building and the adjacent Comerica Bank site to provide a new and permanent home for the Watsonville Center. The expanded facility opened in fall of 2001. Enrollment at the Watsonville Center has grown to over 2300 students.

The College opened a world-class Environmental Horticulture Center and Botanic Gardens in fall 2002, providing an exceptional site for teaching, learning, and community enjoyment. The new center is located on the hills above the Aptos campus with sweeping views of the Monterey Bay.

In March 2004, voters approved a \$118.5 million bond measure allowing the College to expand its excellent health-careers training programs, make improvements to classrooms, expand the Watsonville Center, and help students better prepare for jobs and transfer to four-year colleges, in addition to other important projects.

In January 2007, the college opened the Scotts Valley Center to serve the residents of Scotts Valley and San Lorenzo Valley better. The Center, a modern facility with state-of-the-art classrooms, has easy access from Highway 17. Over 600 students enrolled in the opening semester.

WHO WAS CABRILLO?

Cabrillo College is named after Juan Rodriguez Cabrillo, a sixteenth century Portuguese explorer who "discovered" California while in the service of Spain.

After taking part in the Cortez victory over the Aztecs, Orozco's expedition in Oaxaca, and the conquest of Guatemala, Cabrillo sailed from Guatemala with Alvarado's fleet on its northwestern exploration in 1540.

Alvarado met his death on the west coast of Mexico, and Cabrillo assumed command of the expedition. On September 25, 1542, Cabrillo discovered San Diego Bay, naming it San Miguel. He visited Monterey Bay and discovered the Santa Lucia Mountains on his journey, which reached as far north as Point Reyes.

During the voyage in 1543 Cabrillo died. In 1935 the state legislature designated September 28 as "Cabrillo Day," commemorating the anniversary of Cabrillo's exploration in California.

MISSION STATEMENT

The mission of Cabrillo College is to enhance the intellectual, cultural, and economic vitality of our diverse community by assisting all students in their quest for lifelong learning and success in an ever-changing world.

Our purpose is to provide an accessible and effective learning environment, which aids students in their pursuit of transfer, career preparation, personal fulfillment, job advancement, and retraining goals.

Our core values are academic freedom, critical and independent thinking, and respect for all people and cultures. Our commitment is to encourage excellence, offer a balanced curriculum, promote teaching methods for diverse learning styles, and involve and enrich our community.

COLLEGE CORE COMPETENCIES

To achieve our mission, the Cabrillo College community works together to help students master our four college competencies. The Core 4 represent the major skills that all students need to succeed. The college is committed to fulfilling this promise: When our students have met the requirement for the A.A. or A.S. degree requirements or have completed the general education sequence, they will be competent in:

Communication: Reading, Writing, Listening, Speaking and/or Conversing

Critical Thinking and Information Competency: Analysis, Computation, Research, Problem Solving

Global Awareness: An appreciation of Scientific Processes, Global Systems and Civics, and Artistic Variety.

Personal Responsibility and Professional Development: Self-Management and Self-Awareness, Social and Physical Wellness, Workplace Skills

STUDENT LEARNING OUTCOMES

Student learning outcomes define what students can do when they have completed a course, a certificate or a degree. They are the goals and skills that they have achieved through their study. The four college core competencies are the student learning outcomes for our A.A. and A.S. degrees and the general education sequence. The college is in the process of defining SLOs for every occupational degree, certificate, and course. Students must demonstrate competency in the SLO to pass the course or be awarded the certificate or degree.

PRIMARY FUNCTIONS

Transfer Education: to provide lower division general education and major preparation courses leading to an associate degree and/or to transfer to a four-year college/university;

Occupational Education: to provide education and training in selected occupational fields leading to job entry, advancement, retraining and certification, and to associate degrees.

ESSENTIAL TO THE PRIMARY FUNCTIONS

Basic Skills Education: to provide transitional education programs and courses for students needing preparation to succeed in college-level work;

Student Support Services: to provide student support services that enhance student success.

AUTHORIZED FUNCTION

Noncredit Education and Self-Supporting Programs: to offer continuing education responsive to the professional, cultural, and developmental needs and interests of the community.

ACCREDITATION

Cabrillo College is accredited by the Western Association of Schools and Colleges, the recognized local agency which is affiliated with the Federation of Regional Accrediting Commission of Higher Education. The College has been approved by the Board of Governors of the California Community Colleges and the California State Department of Education. The College is also approved by the California Department of Education for the training of veterans under the provisions of the G.I. Bill of Regulations. The College is a member of the Community College League of California. Designated courses are accepted on a transfer basis by the University of California, the California State University system, and by private four-year colleges and universities.

GENERAL CURRICULUM

To fulfill essential components of the mission of Cabrillo College, the Governing Board recognizes and supports the offering of courses that meet the needs of the residents of the district. The College, offers the following curriculum:

Transfer

The College courses and programs fulfilling requirements for admission to advanced standing in the University of California, California State University system, and many other public and private four-year institutions.

Occupational

Offers occupational courses and programs giving students the opportunity to acquire required job skills that will lead to employment or job advancement. A student planning to enter an occupation or to upgrade job skills may enroll in one of the occupational curricula as described in this catalog.

General Education

General Education courses are designed to give breadth and coherence to the student's education experience. General education is that part of a student's education that encompasses the common knowledge, appreciations, attitudes, and skills needed to become effective as an educated person in our society, including awareness, appreciation, and respect for diverse cultures. General education is complementary to, but different in emphasis and design from, specialized training for a job, a profession, or advanced study in a specific field of knowledge.

Basic Skills

Developmental courses are necessary for student success and retention. Basic skills courses are designed for students who are nearly college ready but exhibit skill deficiencies more than one level below freshman level English, math, or reading.

Learning Skills

Learning Skills courses are designed to assist students who have learning disabilities to succeed in programs of study offered by the College. Placement in these classes is preceded by individual diagnostic testing. An Individual Education Plan will be developed for each student.

Noncredit Classes

Certain class subjects qualify for special state funding and do not carry an enrollment fee. These classes, numbered in the 500 series, are designed to provide educational opportunities for older adults, parents, "fast track to work" students, and those in other areas of interest such as health and consumer protection.

COMMUNITY CAMPUS

Community Campus classes offer students an opportunity to attend college classes in their neighborhood. Community Campus classes are held at various locations in the Santa Cruz area. Class offerings include both general education designed to meet basic course requirements and occupational courses providing job training for employment. Information pertaining to Community Campus classes can be found in the current *Schedule of Classes* or by calling Admissions and Records at (831) 479-6201.

CABRILLO EXTENSION

The Cabrillo Extension Office provides fee-supported classes, motorcycle safety training, traffic school, online classes, special events, corporate training, scheduling of college facilities for community and college use, and ticket sales for performing arts events.

Cabrillo Extension Classes

Approximately 400 fee-supported not-for-credit classes are offered to the public each year. They cover a full spectrum of topics for all age groups and are scheduled 12 months a year in convenient formats. The Cabrillo Extension publication lists these classes, plus concerts, lectures, and other special events. Class suggestions from the community are welcome. For information call (831) 479-6331 or visit <http://www.cabrillo-extension.org>.

Use of College Facilities by the Public

The College encourages the use of school facilities by public agencies and community organizations. Over 1200 events per year are scheduled on the Cabrillo campus, and a comprehensive master calendar is maintained in the Cabrillo Extension Office. Both indoor and outdoor facilities are available. Organizations can receive scheduling and fee information by calling (831) 479-6332. For information on renting the Sesnon House, call (831) 479-6229.

Corporate Training

Cabrillo College develops programs to meet the training and retraining needs of business, industry, government, and labor. We also offer meeting facilitation and coaching services. For information call (831) 479-5039 or click on the Corporate Training link on the Cabrillo Extension website at www.cabrillo-extension.org.

Ticket Sales

For information on ticket sales please call (831) 479-6331.

SMALL BUSINESS DEVELOPMENT CENTER

The Central Coast Small Business Development Center (SBDC) offers counseling, technical assistance, and referral services free of charge to start-up and existing businesses in Santa Cruz and Monterey counties. You do not need to be a Cabrillo College student to obtain services from the SBDC. The center also offers business-related workshops, and seminars for a nominal fee. Counseling services available include business plan development, marketing and sales, personnel management, financing, bookkeeping, and financial analysis. For more information, call (831) 479-6136 or e-mail the center at sbdc@cabrillo.edu. The SBDC is operated by Cabrillo College under contract with the California Community Colleges Chancellor's Office, the U.S. Small Business Administration, and Humboldt State University.

DISTANCE EDUCATION

Distance education is instruction in which the faculty member and student are separated by distance and interact through the assistance of communication technology. Distance courses provide students the opportunity to complete their course work outside the classroom, on their own time. The courses are academically equivalent to on-campus courses and are offered by Cabrillo instructors. Since students are responsible for learning on their own, success in these courses requires maturity and a strong commitment. Cabrillo offers three forms of distance education: telecourses, teleweb courses, and online courses.

- Telecourses are pre-produced television courses that can be seen on Community Television of Santa Cruz County (channel 25) and Watsonville Community Television (consult local listings for channels) and on videotape.
- Teleweb courses combine the impact of television with the depth and diversity of Internet use for communication and information retrieval.
- Online classes are offered to students using a computer with an individual e-mail account and access to the Internet.

For information, contact Francine Van Meter at (831) 479-6191 in the Teaching and Learning Center. For current listings of Distance Education classes, see the Cabrillo College at website www.cabrillo.edu.

EVENING CLASSES

The evening program is an extension of the day program, paralleling day courses in college credit value, prerequisites, course content, and hours in class. Requirements for the associate degree are the same for evening students, day students, and weekend students. Counseling is available by appointment most evenings until 7 p.m. Information pertaining to evening classes may be obtained from Admissions and Records at (831) 479-6201.

SUMMER AND WINTER SESSIONS

Summer sessions of four and six weeks, plus a four-week Wintersession, supplement the primary college semesters of fall and spring. The courses scheduled are generally designed to meet basic course requirements and prerequisites, and to provide occupational training for employment. Recent high school graduates may enroll in summer sessions for an early start in college work. Students who will be in high school during the academic year following the summer session may, with the consent of their high school principal or counselor and parent or guardian, enroll in college summer courses. Out-of-state students must meet the same residence qualifications of regular session day students. All students are required to be assessed and attend the Cabrillo College orientation.

WATSONVILLE CENTER

The Watsonville Center is located at 318 Union St. in downtown Watsonville, next to the City Plaza. Classes offered include general education, vocational, and transfer level courses in most disciplines. Students may complete all general education requirements at the center for an A.A./A.S. Degree, vocational certificate, or preparation for transfer. All college registration activities and student records may be accessed at the Center, as well as tutoring, counseling, financial aid, health services, learning disability testing, services for students with disabilities, the college bookstore, library resources, open computer labs, assessments, and orientation. The Admissions and Records office is open Monday through Thursday, 8 a.m. to 6:00 p.m., and Friday 9 a.m. to 2:30 p.m. The main information number is (831) 477-5100.

SCOTTS VALLEY CENTER

The Scotts Valley Center is located at 104 Whispering Pines Drive near the intersection of Scotts Valley Drive and Mount Herman Road. Many of the courses offered in the multimedia-equipped, state-of-the-art classrooms qualify for transfer credit, and most are AA/AS degree-applicable or lead towards certificates of proficiency in selected occupational fields. Admissions and Records staff is available to assist students from 8 a.m. to 6 p.m. Monday through Thursday and academic counseling is available by appointment. The main information number is (831) 477-3550.

MILITARY AFFAIRS PROGRAM/ROTC

Cabrillo College students may register for lower division courses designed for those who wish to explore their interests in military affairs or in becoming commissioned officers in the United States military forces.

Courses are conducted at the University of California, Berkeley. Some courses are offered on Saturday for the convenience of the community college student. Credit is granted through the University and will be recorded toward the A.A. or A.S. degree at Cabrillo College upon receipt of an official UC grade report. Information is available on the web at <http://military.berkeley.edu/>

INDIVIDUALIZED LEARNING

A variety of individualized learning programs are available for students. For information about individualized learning available on campus, contact the following departments:

- Biology Learning Center, Room 616, (831) 479-6286
- Computer Technology Center, Building 1400, (831) 479-6737
- Library-Reference Desk, Building 1000, (831) 479-6163
- Mathematics Learning Center, Room 1074, (831) 477-5696
- Reading Center, Room 1063, (831) 479-6573
- Writing Center, Room 1060, (831) 479-6319
- ESL Laboratory, Room 1060, (831) 479-5790
- Tutorial Center, Room 1080A, (831) 479-6470
- MESA Study Center, Room 714, (831) 479-6503
- Physics/Engineering Learning Center, Room 830 (no phone)
- Watsonville Integrated Learning Center, Room 4410 (831) 477-5155

COOPERATIVE WORK EXPERIENCE EDUCATION (CWEE)

Cooperative Work Experience Education Courses

Cabrillo College offers three opportunities for students to receive course credit through linking academic opportunities with paid or unpaid workplace experiences: Career Work Experience, General Work Experience, and Service Learning. Students earn one unit per 60 hours of unpaid work experience or one unit per 75 hours of paid work experience. Work Experience students benefit by gaining a realistic approach to the 21st century job market, validating interests and clarifying career goals by applying classroom theories to the work environment, and having work experience to refer to on future job applications.

Career Work Experience is for students enrolled in career-oriented majors. This program provides supervised work experience at a worksite that is directly related to the student's career goal, and along with other on-campus lecture and laboratory courses, is an integral part of the student's major. Students who enroll in Career Work Experience must be concurrently enrolled in one other course that qualifies for the degree or certificate in their career/occupational major. Students may earn up to 16 credit units of career work experience.

General Work Experience is for students who want to explore career and work experience opportunities. This program, designed to help students develop career and workplace culture awareness, combines classroom instruction with paid or volunteer work experience, utilizing the community's business, industry, government, and non-profit agencies as expanded educational sites. Courses are listed under Work Experience Education. Students may earn up to 6 credit units of general work experience.

Service Learning is for students who are co-enrolled in a course that offers a Service Learning option. Service Learning integrates community service with academic learning, focusing on meeting community needs and achieving course objectives. Individual course listings will specify if a course includes a Service Learning option.

Work Experience credit is either non-transferable, or transferable to select CSU campuses. Transfer credit is limited at some CSU campuses; students are advised to check with a Cabrillo College counselor. Additional assignments are required for Work Experience transfer credit.

To enroll, a student must be enrolled in a minimum of seven units including Cooperative Work Experience Education, have a full or part-time paid or volunteer job, attend a one hour orientation session, and develop learning objectives with the assigned faculty Instructor/Coordinator and the worksite supervisor.

If a student does not currently have a job, the Cabrillo College Student Employment Center, Room 804, can assist in obtaining suitable paid employment and unpaid work experience opportunities. Many of their job resources can be accessed through their web site by searching for "job placement" on the Cabrillo College home page.

For further information contact the Cooperative Work Experience Education (CWEE) Program Coordinator at (831) 477-5650, Room 2100B. Students can also access the Cabrillo College Cooperative Work Experience Education web page by scrolling the "A - Z Index" to "C" on the Cabrillo College home page: www.cabrillo.edu

NONDISCRIMINATION POLICY

Cabrillo College does not discriminate on the basis of ethnicity, national origin, religion, age, gender, sexual orientation, race, or physical or mental disability, or any other protected status category in any of its policies, procedures, or practices. This nondiscrimination policy covers admission and access to, and treatment and employment in, the College's programs and activities, including vocational education programs. Limited English language skills will not be a barrier to admission to and participation in vocational education programs. To request more information about equal opportunity policies and the filing of grievances, contact:

Pegi Ard, ADA Coordinator: (831) 479-6406

Joe Napolitano, Section 504 Officer: (831) 479-6395

Loree McCawley, Director of Human Resources

(staff complaints): (831) 479-6217

Sesario R. Escoto, Student Affairs Office

(student complaints): (831) 479-6525

All of the above can be reached at 6500 Soquel Drive, Aptos, California 95003.

The College recognizes its obligation to provide overall program accessibility for students with disabilities. Contact the Section 504 Coordinator to obtain information as to the existence and location of services, activities, and facilities that are accessible to and usable by persons with disabilities.

Inquiries regarding federal laws and regulations concerning nondiscrimination in education or the College's compliance with those provisions may also be directed to:

PLAN DE ACCION NO DISCRIMINATORIA

Cabrillo College no discrimina a base de identificación con grupos étnicos, nacionalidad de origen, religión, edad, sexo, raza, color, incapacidad mental o física ni orientación sexual en ninguna de sus reglamentaciones, procedimientos o prácticas. Este plan de acción no discriminatoria incluye la admisión y el acceso a los programas y actividades, y el tratamiento y el empleo en los mismos, incluyendo la educación vocacional. Tener limitadas destrezas en el idioma inglés no constituirá una barrera para ser admitido o participar en los programas de educación vocacional. Para solicitar más información acerca de nuestras reglamentaciones sobre oportunidad equitativa y para presentar quejas, comunicarse con:

Pegi Ard, Coordinadora de ADA: (831) 479-6406

Joe Napolitano, Oficial de la Sección 504: (831) 479-6395

Loree McCawley, Recursos Humanos, (831) 479-6217

Sesario R. Escoto, Oficina de Asuntos Estudiantiles (Reclamos de estudiantes): (831) 479-6525

Puede comunicarse con todos ellos en Cabrillo College, 6500 Soquel Drive, Aptos, CA 95003.

Cabrillo reconoce su obligación de proveer accesibilidad general a los programas para los estudiantes con incapacidades. Comuníquese con el Coordinador de la Sección 504 para obtener información sobre la existencia y la ubicación de servicios, actividades y edificios accesibles y para el uso de las personas con incapacidades.

Las preguntas sobre leyes y reglamentaciones federales concernientes a la no discriminación en educación o sobre el cumplimiento de Cabrillo con estas provisiones, pueden dirigirse también a:

Oficina de Derechos Civiles, San Francisco

SEXUAL HARASSMENT POLICY

It is the policy of the Cabrillo Community College District to provide an educational, employment, and business environment free of unlawful and unwelcome sexual advances, requests for sexual favors, and other verbal, visual, or physical conduct of a sexual nature, made by someone from or in the workplace or in the educational setting constituting sexual harassment, as defined and otherwise prohibited by state and federal statutes.

For additional information regarding this policy and the procedures involved, contact Loree McCawley, Director of Human Resources (staff complaints): (831) 479-6217 or Sesario R. Escoto (student complaints), Dean of Student Services, (831) 479-6525.

PLAN DE ACCION SOBRE ACOSO SEXUAL

Es el plan de acción del Distrito de Cabrillo Community College a proveer un ambiente de educación, de empleo y de negocios libres de avances sexuales no deseados, de solicitudes de favores sexuales y de cualquier otro tipo de conducta o comunicación verbal o física que constituya un hostigamiento sexual, según lo definen y lo prohíben los estatutos estatales o federales.

Para más información sobre este plan de acción y sobre los procedimientos al respecto, comuníquese con Loree McCawley, Director de Recursos Humanos (831) 479-6217 o con Sesario R. Escoto, Decano de Servicios Estudiantiles, (831) 479-6525.

DRUG-FREE CAMPUS

It is the policy of the Cabrillo Community College District to maintain a campus free of the possession, manufacture, use, or distribution of controlled substances as listed in the federal Drug Free Schools and Communities Act (DFSCA), which includes, but is not limited to, substances including alcohol, cannabis (marijuana/hashish), hallucinogens, cocaine /crack, amphetamines, and heroin. More information about Cabrillo's policies, procedures, and resources is available at www.cabrillo.edu/services/health.

SMOKE-FREE CAMPUS

Cabrillo College is a smoke-free environment. In the interest of health and safety for students, visitors, and staff, smoking is prohibited indoors and outdoors at all campus facilities except in designated parking lots. Pursuant to Board Policy 6120.

THE CABRILLO COLLEGE FOUNDATION

Since 1962, the Cabrillo College Foundation has raised private gifts to enhance Cabrillo's educational and community service programs. Of the 1,400 community colleges in the nation, the Cabrillo College Foundation ranks among the top 2%. The generosity of Cabrillo College supporters has resulted in top state and national rankings-in an annual study of college donors conducted by the Council for Aid to Education (CAE), a subsidiary of RAND Corporation.

Local citizens, college staff, faculty, and Cabrillo trustees serve on the foundation's thirty-one member board, representing all geographic areas of the community. The foundation board and supporters of Cabrillo College provide private support for scholarships, equipment, programs, and facilities. In the last ten years, the Cabrillo College Foundation has raised nearly \$20 million dollars for the support of college initiatives.

Last year, the Cabrillo College Foundation raised \$2.3 million for Cabrillo's programs. In addition to numerous campaigns and initiatives each year, the Cabrillo College Foundation supports the following important programs annually.

- **Scholarships:** Private donations to the Cabrillo College Foundation fund all Cabrillo College Scholarships. The Cabrillo College Foundation has the fourth largest scholarship program for community college students. The Cabrillo College Foundation has developed a very large scholarship program which distributes over 500 scholarships equaling \$275,000 annually to assist financially needy and academically promising students. Scholarships are generally between \$400 and \$1,200 per award. Applications for scholarships are due December of each year.
- **Women's Educational Success (WES):** WES is a special financial aid program funded by private donations to the Cabrillo College Foundation. This endowment provides emergency cash grants for women with a strong commitment to succeed in college. The WES grants are for immediate emergent needs of women. Many recipients are single mothers with very limited resources. The priority is to fund unexpected expenses such as the replacement of a schoolbook, materials needed for a class, or a bus pass. Each year \$20,000 is awarded.
- **Cabrillo Advancement Program (CAP):** The CAP program is a combination of innovative mentoring activities, scholarships, parent involvement, Saturday academies, counseling, tutoring, summer institutes, and other family events designed to increase the academic success of 383 CAP students who are socially, educationally, and economically disadvantaged students in local middle and high schools. Participating students graduate from high school and enroll at Cabrillo, receiving a \$1,000 scholarship upon enrollment. A full-time Coordinator/Counselor administers the CAP program. CAP is sponsored by Cabrillo College and primarily funded by the Foundation through private donations.
- **Faculty Grants for Student Success:** Grants are awarded to faculty to improve or enhance instruction at Cabrillo College. About \$15,000 each year is awarded for faculty projects. The Foundation has the largest Faculty Grant program in the state.
- **President's Circle:** The President's Circle is a primary source of unrestricted funds for the Cabrillo College Foundation. The President's Circle program raises unrestricted funds for the college's areas of greatest need. President's Circle members are considered special friends and supporters of the Cabrillo College President.

The Cabrillo College Foundation works with donors to develop planned gifts and bequests, and outright gifts, depending on individual financial planning needs.

The Cabrillo College Foundation is a not for profit 501(C)(3) organization.
