Puzzling over which courses to take first?

General Orientation for Art Photography and Digital Media Fields

Monday, August 24, 2009, 6:00-6:30PM, Room 1303

Art Photography (AP) will join Digital Media (DM) for this overview of transfer and occupational programs, degrees, certificates and introductory courses.

Art Photography Department Orientation (held immediately after General Orientation): **Monday, August 24, 2009, 6:30-7:30PM, Room 2022**

Faculty will be available to review the *Schedule of Classes* and advise students about individual courses, as well as, the Art Photography option in the Art Studio Degree Program.

Additional considerations for the Art Photography option in the Art Studio Degree Program:

- Basic cross-platform computer skills for digital photography are offered in DM1
- Basic digital photography skills are offered in AP 40ID, Intro to Digital Photography
- Digital Art Photography courses are taught on Macintosh adaptable to Windows
- CS 1 is recommended for those exploring various areas in the computer technology field
- CS 1L is the recommended starting point for those wishing to learn Windows
