Clarification re: SJSU “similar major” for Child Development

Cabrillo ECE AS-T

Transfer to SJSU with the ECE AS-T would be transferring into the Child and Adolescent Development B.A. (Plan B) - see assist.org

This is NOT the subject-matter-preparation path for Multiple Subject teaching (referred to as Plan A).

per department at SJSU: "To be clear, lots of the Plan B people do go to credential programs, they just do not take the subject matter preparation paths through Child and Adolescent Development (ChAD) or through Liberal Studies."
