

## WST AND 100W PREREQUISITE COURSES

California Community College courses that, if satisfactorily completed, are considered as prerequisite to the WST OR 100W. These courses are not necessarily equivalent to English 1B.

A).Courses currently articulated with SJSU's English 1B are identified with a "#" symbol.

B).Courses identified with an "I" are approved IGETC Advanced Composition courses.

C).Courses identified with an "\*" are quarter unit courses.

Please note that courses other than those articulated with SJSU's English 1B will not substitute for the English 1B requirement in a major.
