

Cabrillo College Transfer Guide

SCHOOL OF ENGINEERING

Thank you for your interest in Santa Clara University! This guide has been designed to help make the course-planning process easier for students who wish to transfer into the School of Engineering at SCU.

Prospective transfer students and students planning to enter SCU at the freshman level please note the following prior to using this document:

- This guide represents the core (general education) curriculum Santa Clara University had in place for incoming freshmen students through Fall 2008. As of Fall 2009, SCU introduced a new core curriculum and consequently has designed new guides to assist transfer students with planning. *Students planning to transfer into SCU for Fall 2010* as a sophomore or a junior may still utilize the guide found on the following pages. *Students planning to transfer in Fall 2011 and later* need to refer to the guide designed for SCU's new core curriculum and should not use the document below for planning purposes.
- This guide is designed for **transfer students only**. Students who plan on entering SCU as a freshman and would like to utilize this guide to help select courses that will transfer to satisfy core requirements will need to note the following:
1) students may not take courses to satisfy their Critical Thinking and Writing *or* Cultures and Ideas requirements from other schools—those requirements must be taken at Santa Clara University; 2) students can satisfy their Math, Laboratory Science, Modern Language, Diversity, Social Science, and Arts requirements at another school **PRIOR** to attending SCU. **Please note:** Once students have begun their academic careers at SCU, they may not take classes at another institution to satisfy core and/or major/minor requirements.
- Oftentimes schools will cross-list a single course separately under different departments. This guide will individually list cross-listed courses for each department they are found in. It is a student's responsibility to notice whether or not a course is cross-listed as credit will only be issued one time from SCU.
- If a student takes an honors version of a course that is listed on this guide, SCU will accept that class as transferable.
- Math courses eligible for transfer to SCU to fulfill math requirements are listed on this guide. A Pre-Calculus course is eligible to receive general elective credit but will not satisfy SCU's core math requirement.

Cabrillo College Transfer Guide

SCHOOL OF ENGINEERING

Bachelor of Science in Engineering

Majors: Bioengineering, Civil Engineering, Computer Science & Engineering, Electrical Engineering, General Engineering, Mechanical Engineering, and Web Design & Engineering.

Admission requirements:

- 1) **English:** Two courses -- one course from 1) *English* 1A, 1AH, 1AMC, 1AMCH **and** one course from 2) *English* 1B, 1BMC, 2, 2H, 2MC, 2MCH.
- 2) **Mathematics:** Two courses -- *Math* 5A and 5B.
- 3) **Physical Science:** *Chemistry* 1A; *Physics* 4A and 4B.

Recommended courses:

The following courses allow students to complete more of SCU's Core Curriculum (General Education) / School of Engineering requirements:

- 1) **Mathematics:** *Math* 5C. *Math* 7 is also needed for all majors except Bioengineering and Web Design & Engineering. *Math* 23 **or** *Computer Science* 23 is needed by Computer Science and Engineering majors only. *Math* 6 is needed by Computer Science and Engineering and Electrical Engineering majors only.
- 2) **Computer Science:** For students with no background in programming, *Computer Science* 12J is recommended. Computer Science & Engineering, Electrical Engineering, Web Design & Engineering majors need *Computer Science* 19 and 21. Bioengineering and Mechanical Engineering majors need *Computer Science* 19 only.
- 3) **Physical Science:** *Physics* 4C is needed for Electrical Engineering majors only. Bioengineering majors need *Biology* 1A and 1B and *Chemistry* 1B, 12A/L, 12B/L.
- 4) **Graphics:** *Engineering* 25 is needed for Civil, Mechanical and General Engineering majors.
- 5) **Statics:** *Engineering* 35. Not required for Computer Science & Engineering and Web Design & Engineering majors.
- 6) **Circuits:** *Engineering* 15. Not required for Web Design & Engineering majors.
- 7) **Properties of Materials:** *Engineering* 45 is needed for Bioengineering, General and Mechanical Engineering majors only.
- 8) **Surveying:** *Engineering* 1A is needed for Civil Engineering majors only.

Cabrillo College Transfer Guide

SCHOOL OF ENGINEERING

Bachelor of Science in Engineering (continued)

Recommended courses to complete more of SCU's Core Curriculum / School of Engineering requirements:

- 9) **Western Culture:** Two courses from *one* of the following sequences: *Art History* 20A, 20B; *History* 4A, 4B; *History* 4AH, 4BH; *Philosophy* 6, 7.
- 10) **Social Science:** One course from the following: *Anthropology* 2, 3; *Economics* 1A, 1B; *Political Science* 1, 1H, 2, 3; *Psychology* 1, 6; *Sociology* 1, 1H, 2, 2H, 3, 5; *Women's Studies* 7.
- 11) **United States:** One course from the following: *Anthropology* 16; *Art History* 18; *Criminal Justice* 1; *English* 24A, 24B, 30A, 30B, 39, 41A, 41B; *History* 14, 15, 17A, 17AH, 17B, 17BH, 18A, 18B, 21A, 21AH, 21B, 21BH, 23, 29A, 29B; *Music* 13A; *Political Science* 1, 1H, 5; *Sociology* 3, 8; *Women's Studies* 1.
- 12) **World Culture/Societies:** One course from the following: *Anthropology* 2; *Art History* 16, 17, 19, 52; *English* 40; *Geography* 2; *History* 6, 16A, 16B, 16C, 19A, 19B, 19C; *Music* 11LA; *Political Science* 2; *Spanish* 30B.
- 13) **Religious Studies, Ethics, Technology** and a **Technical Writing** course are required courses, but count only if taken at Santa Clara University.
- 14) Consult the SCU Bulletin for additional freshmen and sophomore level requirements in your major. The Bulletin can be found in the web site (www.scu.edu) under Current Students.

The above information is to be used as a guide for the purpose of admissions into Santa Clara University. This information is reviewed periodically and the date of the most recent update is noted in the bottom left hand corner of this guide. Students are responsible to make sure that any courses taken are listed on this guide at the time of actual enrollment. Transferability is not guaranteed and is up to our discretion, largely based upon the Santa Clara University core curriculum in effect at the time of admission.
