Please read and initial each box below:

I understand that if I check Subsidized loan only, the actual amount of the loan may be less than the amount I have requested depending on my Subsidized loan eligibility and grade level.

I understand that if I am only attending Cabrillo College for one semester, the amount of my loan will be prorated. See page 3 of Student Loan Guide.

I understand that if I check Unsubsidized loan, the interest on that loan will begin to accrue the day my lender first disburses the loan and will be capitalized, greatly increasing the amount of my loan.

I request Cabrillo College to forward the data required to process my application for a Federal Stafford Loan. I am requesting a loan for the enrollment period and the amount indicated above or the lesser amount for which I am eligible to borrow.

I understand that after submitting the Cabrillo College loan documents and this loan request form, I will be sent a Master Promissory Note (MPN) by EdFund, the guarantor. I must complete and return the MPN to my lender or my loan may be cancelled. By completing the MPN, I have promised to repay my student loan. I will call my lender if I do not receive an MPN.
