### Course Description:

Library 10 is designed to build life-long techniques for review and analysis of information sources covering online catalogs, full-text periodical and newspaper databases, and Internet sites as well as library books and materials. You will apply the process of access, evaluation, utilization, and synthesis to selecting and interpreting quality information sources for the construction of works cited lists.

Library 10 is an online class, which means that you are responsible for keeping up with the content, meeting due dates, and asking for help. The course is structured around readings in the Library 10 Handbook, and online quizzes, assignments and a final exam in the Canvas Online Learning System.

### Student Learning Outcomes:

- Synthesize and apply evaluation techniques to select quality information sources from a variety of resources.
- Construct a works cited list using the Modern Language Association (MLA) standard.

## Academic Dishonesty:

Plagiarism and cheating are serious offenses and will not be tolerated. Do your own work!

*“Plagiarism is the conscious or inadvertent failure to identify the contributions of others. It occurs when someone borrows any part of another’s work and submits it as his or her own work without crediting its author. A failure to credit others may result in one or more of the following: the student **receiving a failing grade on the assignment, a failing grade for the course, or suspension from the college.** Students are expected to know how to credit sources, how to quote and paraphrase, and how to avoid plagiarizing the work of others. If you are unsure, ask your instructor for assistance before you submit your work for credit” (Cabrillo Catalog).*

## Accommodations for Disabilities:

All students needing accommodations should inform the instructor as soon as possible. Veterans may qualify for accommodations. Wounded Warriors may have acquired injuries which through the American with Disabilities Act (ADA) entitles the use of accommodations to ensure equal opportunity for students with verified disabilities. To determine if you qualify or need assistance with an accommodation, please contact the Accessibility Support Center (formerly DSPS), Room 1065-1074, 479-6379.
