No. 11 Cabrillo baseball to take on No. 6 College of Marin in NorCal first round

By Sentinel staff

The Cabrillo College baseball team will play the College of Marin in its opening series of the California Community College Athletic Association Northern California Regional tournament.

The Seahawks (21-15), making their fifth straight playoff appearance, received the No. 11 seed Sunday after finishing third in the Coast Conference Pacific Division. They will play at No. 6 College of Marin (25-10-1), champion of the Bay Valley Conference, on Friday and Saturday in a best-of-three series.

The opening game is Friday at 2 p.m., with a game at 11 a.m. Saturday and then 30 minutes after that game, if necessary. Cabrillo defeated the Mariners, 2-1, in Marin earlier this season.

Big 8 champion San Joaquin Delta College (33-3) received the top seed and will take on the winner of a Tuesday play-in game.
