APTOS — Cabrillo College is offering an intensive Spanish language and culture program this summer in Puebla, Mexico.

Students of all Spanish speaking ability, from beginning to advanced Spanish, are invited to join Cabrillo College instructor Félix Robles for four weeks of intensive language/culture study.

Named one of the 10 best destinations in the world, Puebla, Mexico is famous for its colonial architecture, regional food, and summer weather. Puebla is two hours from Mexico City, four hours from Oaxaca, and is close to many other cultural sites of architectural and archeological importance.
