Cabrillo College
Self-Guided Tour

Cabrillo College is located on the scenic Central Coast of California in Santa Cruz County. The Aptos campus is less than two miles from the Pacific. A second campus, located in nearby Watsonville, also offers administrative services and classes in a convenient location to south-county residents.

While you are on campus, we encourage you to visit this selection of our many academic programs, student support services, and recreation areas.

1. Student Activities Center (SAC) East
   - Welcome Center- The Welcome Center provides front counter support for Admissions & Records, Financial Aid, and Student Accounts. Some of the services they provide include: registration, financial aid, payments, transcript orders, student ID cards, parking permits, bike lockers, and book lockers.
   - Bookstore- At the Cabrillo Bookstore, you can find most of your course materials, like textbooks, scantrons, school supplies, scrubs, and Cabrillo gear. The Bookstore also has new and used textbooks for sale or for rent.
   - Assessment Center- The Assessment Center offers computerized assessment in English, math, reading, and ESL. Assessments ensure you take classes that are appropriate for your skill level.
   - Student Resource and Support Network (SRSN)- SRSN serves low income, unemployed, and underemployed Cabrillo students by providing financial assistance with childcare, books, supplies, transportations, and other required materials.
   - Student Employment Center- Student Employment connects students and alumni with employers in the community, including many departments on the Cabrillo campus.

2. Student Activities Center (SAC) West
   - Counseling Building (100 Building)
     - Counseling Services- Academic counselors support students in taking the correct classes to achieve their educational goals.
     - Transfer and Career Center- The Transfer and Career Center offers students and members of the community guidance towards a career, specialized training, transfer, or occupational programs at Cabrillo.

3. Drip Gazebo
   Caffeine is a college student’s best friend! Drip offers a variety of hot/cold drinks, snacks, sweets, and meal options.

4. Counseling Building (100 Building)
   - Counseling Services- Academic counselors support students in taking the correct classes to achieve their educational goals.
   - Transfer and Career Center- The Transfer and Career Center offers students and members of the community guidance towards a career, specialized training, transfer, or occupational programs at Cabrillo.

5. Learning Communities (500 Building)
   Learning Communities are fun, exciting, and provide a supportive learning environment where students learn college/academic survival skills.

6. Library (1000 Building)
   The library provides a collection of textbooks and materials required for many classes, as well as group study spaces. It is also the busiest learning center on campus.
   - HUB- The HUB offers free, multi-subject peer-tutoring to students enrolled in any class on campus.
   - Math Learning Center (MLC)- The MLC offers free, drop-in tutoring for all math classes. Students can also check out a variety of math-related items such as textbooks, calculators, and computer software.
   - Accessibility Support Center (ASC)- The ASC offers academic support for students with disabilities by providing accommodations and services.

7. Cabrillo Amphitheater
   A place to unwind, relax and soak up some sun. It is also a great place to study, or have lunch.

8. Science Technology Engineering and Math (STEM) Center (Building 800)
   The STEM Center is a newly renovated space where faculty and students come together to teach, learn, and connect as a community.

9. Wellness Education Center (HW 1000 Building)
   The Wellness Education Center is your on-campus fitness center.

10. Allied Health Building (HW 2000 Building)
    The Allied Health Department offers a variety of exciting health care career options, including Dental Hygiene, Medical Assisting, Nursing, and Radiologic Technology.

11. Cafeteria (900 Building)
    - Cafeteria- The Cafeteria offers a variety of delicious food selections including a salad bar, taco and burrito bar, freshly made sandwiches, and daily specials. It is also a great place to meet up with you classmates.
    - Student Health Services- Cabrillo provides students with a variety of no-cost and low-cost health services, including: first aid, crisis or psychological counseling, routine immunizations, emergency birth control, physical exams with low-cost lab tests, and medications.
    - Student Senate and Student Clubs- Cabrillo’s Student Senate offers leadership opportunities by allowing students to participate in the governance of Cabrillo College. Dozens of student-run clubs on campus connect students with shared interests.
    - Extended Opportunity Programs and Services (EOPS)- EOPS provides financial, counseling and academic support services for full-time Cabrillo students identified as educationally and economically disadvantaged.

12. Health, Athletics, Wellness, and Kinesiology (HAWK) (Building 1100)
    HAWK is home of the Cabrillo Seahawks Athletics with 13 different sports teams.

13. Visual Applied, & Performing Arts (VAPA) Quad
    - Crocker Theater- Cabrillo’s 523 seat theater features student and professional performances that are open to the public throughout the year.
    - Sesnon House- The Pino Alto Restaurant is a fully operational resturant with meals prepared by the talented students and expert instructors in the Culinary Arts department.
