

BOARD SELF-EVALUATION

BP 1310

On a periodic basis, at least annually, the Board will undergo a process of self-evaluation. The purpose of Board self-evaluation is to identify those areas of Board functioning which are working well and those which may need improvement.

Prior to the self-evaluation, members of the college community, including faculty, staff, students, and community members will be invited to provide written input to the evaluation process in the format developed for this purpose.
