In accordance with the Cabrillo College policy pass/no pass grading, the administrative regulations for implementing the policy are as follows:

1. Courses taught only by the pass/no pass grading system shall be so indicated in the *Class Schedule* and the *College Catalog*.
2. A pass/no pass grade may be arranged between the student and the instructor in any course for which the option is available. The student must elect this option no later than the end of the first 30 percent of the term.
3. Courses taken pass/no pass are disregarded in determining a student's grade point average but shall be considered in progress probation and dismissal.
4. No more than 12 units of course work taken by the pass/no pass grading system may be applied toward fulfillment of requirements for the A.A. or A.S. degrees. These 12 units may be in addition to units completed in courses regularly using the pass/no pass only grading system.
5. A pass grade is equivalent to a grade of "C" or better, indicating satisfactory completion of course requirements.

The above regulations will apply to all grades previously notated as credit/no credit.
