Students may be permitted to enroll in variable unit open-entry/open-exit courses as many times as necessary to enable them to complete the entire curriculum of the course once.

Students may not repeat variable unit open-entry/open-exit courses unless:

- The course is required for legally mandated training; or
- The course is a special class for students with disabilities which needs to be repeated; or
- Repetition of the course is justified by extenuating circumstances; or
- The student wishes to repeat the course to alleviate substandard work.

Repetition shall be permitted only upon petition of the student and with written permission of the District Superintendent or authorized representative. Students shall only be entitled to this provision once for each course.

Whenever a student enrolls in a physical education activity course offered for open-entry/open exit, the enrollment will count as a repetition of the course.
