If you are interested in joining a STARS First Year Experience Learning Community at Cabrillo College, please fill out the following information. A Learning Community is a fun, exciting, and supportive learning environment where students take classes focused on a special theme, work closely with other students, interact with supportive instructors, and learn college success skills. You may fill this form out online (and find out more information about Cabrillo’s STARS Learning Communities) at www.CabrilloStars.org
