

STARS First Year Experience

STARS First Year Experience (FYE) program is designed to give you the tools and support necessary to be a successful student at Cabrillo. As a part of the STARS program you attend an orientation, make new friends, take English and math classes together, build strong study habits and get connected to campus resources and an academic counselor.

STARS FYE is a full year (2 semesters) with students taking English and math their second semester depending on their educational plan.
