

## **STARS First Year Experience: Writing, Reading and Digital skills**

STARS First Year Experience: Writing, Reading, and Digital skills program supports you during your first year at Cabrillo by orienting you to college, offering essential English, Reading, math, and computer skills courses, and giving you support and classroom activities designed to foster a smooth transition and environment for **STUDENT SUCCESS**. Practice success-oriented habits, use campus resources, manage time, learn study and test taking techniques, strategies to thrive in college, and get connected to supportive campus resources and a positive academic community.

### **Fall 2017 and Spring 2018 semester schedule:**

#### **STARS & Cabrillo Orientation:**

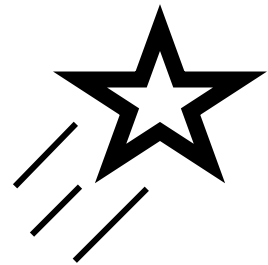

To be announced

#### **Fall semester 2017 courses**

- **English 255** – basic English
- **Reading 205** – Introduction to College Reading
- **CABT 101** – Computer proficiency in MS Office and other skills
- **CG 51** – Planning for Success

#### **Spring semester 2018 courses**

- **Math 254, 154, 112, or 152** – includes math support and peer-led tutoring
- **English 100 and Lab** – elements of writing
- **Additional courses** chosen by student based on their educational plan

Apply online at: [www.cabrillostars.org](http://www.cabrillostars.org)

**Eligibility:** You can join the STARS program if you:

- Placement into English 255 and Math 254, 154, 112, or 152
- Commit to taking STARS courses and attending STARS activities during school year
- Want support in successfully transitioning to Cabrillo College

### **STARS FYE Program offers students...**

- **Priority classes** - convenient block schedule and guaranteed class enrollment
- **1-2 day Orientation** – activities and information designed to improve your transition to Cabrillo
- **Make new friends** – take classes together and meet other students at Cabrillo!
- **English and math courses** required to transfer or start courses in your major or career
- **FYE Seminar and Success Planning** course introduce college life, strategies, and expectations
- **Math Tutoring and extra support** through peer-led tutoring called Supplemental Instruction (SI)
- **First Year Experience Instructors** who are caring, committed, and dedicated to your success
