

STARS First Year Experience (FYE)

LEARNING COMMUNITY at CABRILLO

Join STARS and be successful your First Year at Cabrillo!!

The *STARS First Year Experience* program is designed to prepare you for academic success and help you transition smoothly to Cabrillo College. Your educational journey at Cabrillo College can be exciting and overwhelming at the same time. That's why we have created a supportive environment here where there are people and programs to assist you with your start in college.

Through the *STARS First Year Experience* program, you will learn –

- How to be a successful student and make new friends
- Study and learn in groups
- Develop important study skills and transition smoothly to college culture and expectations
- Connect with campus and college resources
- Explore a chosen major and create a college educational plan

Join one of three STARS programs for 2017-18. Students interested in joining should plan on being full-time students during their first year

STARS First Year Experience:

1. **Writing, Reading, and Digital skills** – English 255 placement
2. **General Education and Transfer:** English 100 and Math 254, 154 or 152 placement

Apply online at www.cabrillostars.org

STARS First Year Experience Program offers you...

- **Early Group Registration-** convenient block schedule and guaranteed enrollment
- **Orientation** – a variety of activities and events designed to improve your transition
- **English and math courses** required to transfer or start courses in your major
- **First Year Success Course** designed to help you transition and be successful in college
- **Math Tutoring and extra support** through peer-led tutoring called Supplemental Instruction (SI)
- **1-2 day orientation** geared to jump start your path to success at Cabrillo
- **Great instructors** who are caring and committed teachers dedicated to your success
