

# STARS First Year Experience (FYE)

## LEARNING COMMUNITY at CABRILLO

Join STARS and be successful your First Year at Cabrillo!!

The *STARS First Year Experience* program is designed to prepare you for academic success and help you transition smoothly to Cabrillo College. Your educational journey at Cabrillo College can be exciting and overwhelming at the same time. That's why we have created a supportive environment here where there are people and programs to assist you with your start in college.

Through the *STARS First Year Experience* program, you will learn –

- How to be a successful student and make new friends
- Study and learn in groups
- Develop important study skills and transition smoothly to college culture and expectations
- Connect with campus and college resources

Join STARS programs for 2018-19. Students should be full-time students during their first year

### STARS First Year Experience Fall 2018 semester:
