

*Replaces BP 6000*

Students shall be classified at the time of each application for admission or registration as a resident or nonresident student.

A resident is any person who has been a bona fide resident of California for at least one year on the residence determination date. The residence determination date shall be the day immediately preceding the first day of a semester or summer/winter session for which the student applies to attend.

Residence classification shall be made for each student at the time application for admission is accepted or registration occurs and whenever a student has not been in attendance for more than one semester. A student previously classified as a nonresident may be reclassified as of any residence determination date.

The Superintendent/President shall enact procedures to assure that residence determinations are made in accordance with Education Code and Title 5 regulations.

See Administrative Procedures 5015.
