

## Instructions for Accessing and Using NetTutor in Canvas

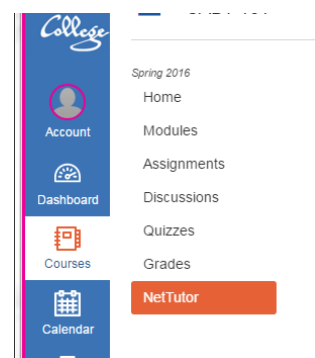

### What is NetTutor?

NetTutor is a free, online tutoring for students currently enrolled at Cabrillo College. Students can access NetTutor through their Canvas course.

**TIP:** Use **Firefox** browser! It works best with the Whiteboard.

### Finding NetTutor in your Course:

1. Go to [Cabrillo College Canvas login page](#)
2. Sign into Canvas using your
  - a. Username
  - b. Password
3. Click your course
4. On the left side of the Course Menu click “NetTutor”

### NetTutor

1. A list of subjects should appear. You can choose any of those subjects to start a tutoring session.

You can see what academic subjects are covered within each of these areas:

<http://www.nettutor.com/subjects/>

2. After choosing a subject, a list of four types of tutoring **venues** will appear:

- **Ask NetTutor Live 1-to-1 Help** – This will take you to a live tutor
- **NetTutor Q&A Center** – This will allow you to leave a question with a tutor, then you will receive an answer through an email at a later time
- **NetTutor Paper Center** – This option comes up if you choose from the topics the “*NetTutor Paper Center*” topic. Get help with your papers and essays (takes about 48 hours for a review to be returned to you)
- **My NetTutor Tutorial Archive** – This will allow you to look back at previous sessions you had with NetTutor

## Ask NetTutor - Live 1-to-1 Help

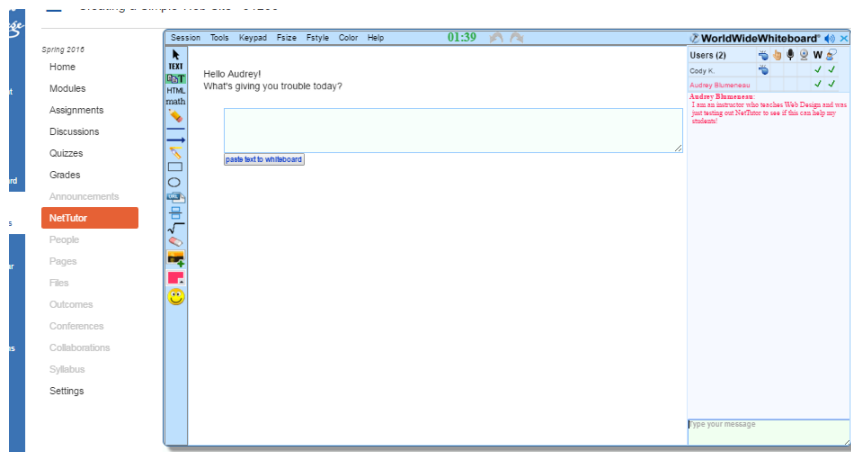

3. After choosing a venue, (in this example: *Ask NetTutor Live 1-to-1 Help* venue) you will see a screen that tells you how many are ahead of you.

You can watch a video on “*How to ask a tutor a question in NetTutor*” while you wait!

A “**cowbell**” sound will ring (and visual bell will display) when they are ready for you.

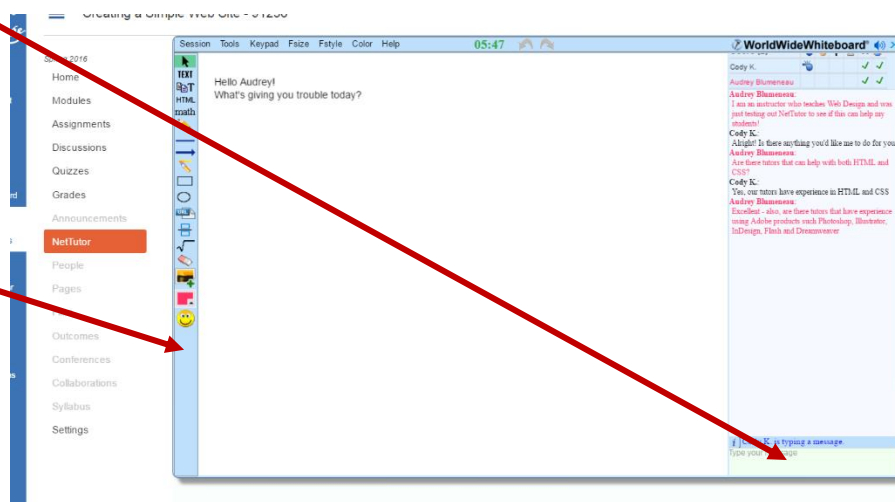

4. The **WorldWideWhiteboard** will appear and you may begin your tutoring session.

5. Type in the “Chat” box on the bottom-right corner of the WorldWideWhiteBoard.

6. Use the tools on the left-hand side for a more options

You can save your Session into a PDF document that includes all your “pages” from your whiteboard. Go to the menu bar: “**Session > Save as pdf**”
