Scholarships and Financial Planning

GGU will work closely with guaranteed admission transfer students to help them qualify for an undergraduate merit scholarship—the Academic Excellence Scholarship.

The Academic Excellence Scholarship is designed for transfer students who have completed at least 30 transferable units with a cumulative grade-point average of 2.75 or higher and three years of work experience. To receive the scholarship, students must enroll in at least six units per term and remain enrolled without interruption. The scholarship will remain active until the completion of the degree program as long as the student maintains a minimum cumulative grade-point average of at least 3.0 at GGU.

In addition to scholarships, GGU helps eligible students take full advantage of state and federal financial aid programs including the CalGrant. All applicants must complete the Free Application for Federal Student Aid (FAFSA) to ensure that all resources have been maximized to develop a financial plan.

Transfer Credit Guidelines

GGU recommends that interested transfer students work closely with a Cabrillo College counselor and a GGU enrollment advisor to select appropriate transferable courses leading to guaranteed admission. The following transfer information is provided as a guideline.

A maximum of 70 semester units may be transferred from a regionally accredited community college. Courses completed with grades of C- or better are acceptable. It is possible to satisfy IGETC or the CSU GE and maximize transfer credit for GGU's lower division requirements. Up-to-date, specific course-by-course articulation information can be found at www.ggu.edu/transfer. GGU will also consider additional transfer credit from the following: CLEP, DANTES, Professional Military Experience evaluated by ACE, and other ACE evaluated training programs.
