

UC SANTA CRUZ TRANSFER ADMISSION GUARANTEE PROGRAM (UCSC TAG) GUIDELINES & PROCEDURES

GUIDELINES

1. Transfer Admission Agreements for the UCSC TAG Program may be written one year in advance of the transfer term; UCSC will accept TAG agreements between August 1 and October 15 for the following fall. UCSC will accept transfer admission agreements for *fall quarter only*.
2. To apply for the TAG Program, students must be enrolled at a participating community college and must have completed a minimum of 30 UC-transferable semester (45 quarter) units of course work with a minimum 3.00 GPA. Students who have attended a four-year collegiate institution must have completed fewer than 20 semester/30 quarter units of UC-transferable credit to be considered for UCSC TAG. Students who have attended colleges or universities outside of the U.S. *are not eligible* for TAG.
3. At the time of transfer to UCSC, students must have completed a minimum of 30 UC-transferable semester (45 quarter) units of course work from a California community college, and must be transferring with a minimum of 60 UC-transferable semester (90 quarter) units. Students must complete all transfer admission requirements by the end of the *spring* term prior to transfer and must be in “good standing.”
4. Students who have not demonstrated adequate preparation in the subject areas of English and mathematics may not be approved for guaranteed admission (see additional information).
5. Non-native speakers of English must demonstrate proficiency in English by earning a score of 83 or higher on the TOEFL iBT (220 on the computer-based version or 550 on the paper version) or by successfully completing two UC-transferable courses in English Composition with “B” grades or higher. This proficiency requirement applies to students who completed any of their high school education (9th through 12th grades) or beyond in a country where English is not the native language.
6. It is important to address lower-division major preparation and IGETC or general education requirements. However, approval for UCSC TAG is based solely on satisfactory completion of the UC transfer admission requirements. Choice of major is not guaranteed through the UCSC TAG Program; however, the Baskin School of Engineering will review approved TAG agreements for possible acceptance into the major.

PROCEDURES

1. A community college UCSC TAG coordinator must be designated at each participating community college to oversee the program and to review and sign all transfer admission agreements.
2. Students must provide copies of their transcripts for all previously completed college course work to the designated community college counselor. If credit from Advanced Placement Examinations is required to meet UCSC TAG criteria, a copy of the test score report must be included.

3. The community college UCSC TAG coordinator is responsible for:

- Explaining the UCSC TAG program to the student, and having the student complete the TAG application form;
- Evaluating the student's transcripts;
- Verifying that at least 30 UC transferable (45 quarter) units of college credit have been completed with a 3.00 minimum GPA;
- Verifying that the student will meet UC transfer admission requirements by the end of the spring term;
- Making recommendations on major preparation, IGETC, or general education courses;
- Signing the TAG form, attaching copies of all college transcripts (and AP scores if necessary), and mailing it to:

Sharon Dirnberger, TAG Coordinator
Office of Admissions - HAHN
UC Santa Cruz
1156 High Street
Santa Cruz, CA 95064

4. TAG applications forwarded from the community colleges will be reviewed by UCSC to ensure academic records (including courses in-progress and planned) meet campus admissions standards before final approval is granted. *Meeting minimum TAG criteria does not necessarily ensure TAG approval.*
5. Once the TAG decision has been made, the agreement will be returned directly to the student and a photocopy will be sent to the community college UCSC TAG coordinator.

STUDENTS WHO ARE NOT ELIGIBLE FOR UCSC TAG

- Students who have completed 20 semester/30 quarter UC-transferable units or more at an accredited four-year institution.
- Students who are on academic probation or not in "good standing" at their community college (or last college attended).
- Students who have attended colleges or universities outside of the U.S.
- Former UC students not in "good standing" at the UC campus they attended (less than 2.0 GPA at UC).
- Students who have earned a bachelor's degree.
