Academic Counseling: *If you have* completed orientation and assessment, plus developed an education plan, declared a program of study and maintained good academic standing, you will be granted higher priority for registration. This means you can register for classes before other students who haven't done these things. The details regarding priority registration are found at: <http://cabrillo.edu/services/ar/enrollpriorities.html>.

You now have access to **Student Planning**, a planning tool found on your Student Menu in [WebAdvisor](#). You can start to plan your courses using the Student Planning tool at any time on your own.
