

Request for baccalaureate credit for a course that does not have a lower division CSU parallel course.

Course title:

Will the course be required (in the major or approved electives) for a degree or certificate at Cabrillo?

___AA/AS___ Certificate ___ both ___ neither

Documentation Required

1. How does the course meet *baccalaureate-level criteria in following areas?

Attach a separate one-page sheet detailing how the course meets the criteria in all three areas listed below.

- Course Delivery (A) – related to methods of instruction
- Content (B) – above secondary level (e.g. learner independence, communication level, texts at college level)
- Coursework Level (C) – conceptual/theoretical level above secondary for academic and/or vocational courses (e.g. SLOs, assessments, assignments)

*refer to the CSU summary of baccalaureate criteria or the complete document found on the AC webpage

2. A similar course must be taught at least 3 California Community Colleges as a CSU or UC transferable course. Attach a copy of catalog course descriptions including course numbers, titles, and units for 3 California Community Colleges presently teaching this course as a CSU or UC transferable course. For assistance with this research contact the Cabrillo Articulation Officer-Mary Ellen Sullivan at X6272. You can also research on your own using www.assist.org or the catalogs of the other community colleges.

For Academic Council use only _____ approved _____ not approved Date _____
