class ____________________________
semester _______________________

name ___________________________________

Grading Option:   Letter Grade  or  Pass/No-Pass
(circle one)

Why are you taking this course?
(or tell me about something you'd like to learn from this course)

I have read the course documents and agree to the course policies, including Academic Integrity.
I certify that all work submitted is my own original work, and that reported TBA hours are accurate

(attach a recognizable photograph of yourself here)
tape or print please, no staples
1/2 of survey credit from photo

check as applicable:
   I have...
   □ completed all prerequisites
   □ completed all recommended preparation

Grading Option:  Letter Grade  or  Pass/No-Pass
(circle one)

General Survey Information:
Are you a Computer Science (or Computer Engineering or related field) major? If yes, do you have (a) transfer destination(s) selected? Where?

(If you are a CS or CE major) Have you met with Steve to discuss your plans?
(this is an invitation, not a requirement)

Have you completed an Education Plan?

"I have read the course documents and agree to the course policies, including Academic Integrity. I certify that all work submitted is my own original work, and that reported TBA hours are accurate"
