About Cabrillo College
Situated on Monterey Bay in the county of Santa Cruz, California, Cabrillo College is one of the most highly regarded community colleges in the state for its success in the area of transfer and career education and currently serves over 14,000 students. Cabrillo College transfers many of its students to three nearby universities – the University of California at Santa Cruz, San Jose State University in the heart of Silicon Valley, and California State University at Monterey Bay. Cabrillo’s career education is closely connected to the nearby Silicon Valley business environment as well as that of the greater San Francisco Bay Area. Cabrillo focuses on student-centered learning and has a tradition of collegial governance. Currently, facility planning and major construction is under way on campus for a new Student Services Complex, Arts Education facilities and a Health Care Education Center.

Faculty at Cabrillo College have a long history of shared governance and participation in all levels of decision-making at the college. To teach at Cabrillo is an opportunity to learn, to collaborate, to create, and to make a difference in the lives of our students and our community.
About the Community
Santa Cruz County (population 260,372), is located on California's Central Coast, 65 miles south of San Francisco and 35 miles north of Monterey. Santa Cruz County boasts a rich cultural life and numerous recreational opportunities. Residents enjoy a Mediterranean climate amid redwood forests, sparkling beaches and rich farmland.

Approximately 32% of Cabrillo College students are from underrepresented populations, with 24% Hispanic or Latino. To increase outreach to this population, Cabrillo established a center in Watsonville, where Hispanics and Latinos are 75% of the population. This population is the fastest growing group in Santa Cruz County. The college is particularly interested in candidates who possess academic or life experiences that enhance teaching in a multicultural context.

Local cultural highlights include numerous performing arts events, and museums and galleries throughout the area which showcase the work of artists in every medium. A number of annual events celebrate the area’s ethnic and cultural diversity. For more information, visit the Santa Cruz County website at www.scccvc.org/places/county.html.

About the Division
Cabrillo College's HWPEA (Health, Wellness, Physical Education, and Athletics) Division seeks a dynamic and innovative individual to join its staff as a physical education instructor and intercollegiate football coach. The department philosophy encourages students to acquire the knowledge and skills necessary to achieve and maintain optimal health and well-being. Cabrillo College offers intercollegiate athletic programs that reflect the interests and abilities of the college's student body and local high schools. Student health and welfare, sound academic progress, and ethical conduct are the foundation of the athletic program. The department functions within the rules and regulations of the Coast Athletic Conference and the California Community College Commission on Athletics. There are 5 contract instructors in the Physical Education department, two who are intercollegiate coaches. Cabrillo College supports 14 athletic programs (eight men's and six women's).

Cabrillo College expects and supports excellence. New faculty members are expected to enhance Cabrillo's state-wide reputation as a leader in shared governance through involvement on division, campus-wide and state committees. Professional responsibilities include writing curriculum, program development, committee membership, student outreach, and attendance at department and division meetings.

Examples of Teaching Assignments
The typical teaching assignment consists of seven, three-hour classes per week per semester. During the semester of competition, coaching is 50% of the assignment. The teaching assignment will include football and may include (but not be limited to) first aid, gymnastics, weight training, athletic conditioning and other courses on the PE core curriculum.

Examples of Coaching Assignments
The coaching assignment is for an intercollegiate football coach. Duties will include but are not limited to: consulting with the football staff and athletic director to prepare
the equipment and supply budget and to request and coordinate transportation needs. Additionally, the assignment includes developing daily and weekly practice plans, scouting opponents, developing game plans, and analyzing opponents' game tapes. To support the football program, the coach must promote football in Santa Cruz County and the Cabrillo College recruitment district, recruit players, participate in athletic department public relations and fund raising projects, and attend athletic department and division meetings.

**Qualifications**

**Required Education from a U.S. Department of Education recognized accredited organization:**

*Master's degree* in physical education, education with an emphasis in physical education, kinesiology, physiology of exercise or adaptive physical education OR

*Bachelor's degree* in any of the above AND

*Master's degree* in any life science, dance, physiology, health education, recreation administration or physical therapy OR

the equivalent OR

a lifetime California Community College Instructor credential in physical education.

**Equivalency**

Candidates without the specified degrees listed above must complete and submit an Application for Equivalency Determination. Additionally, candidates must provide documentation, as part of this application process, sufficient to convince the committee that the candidate possesses the equivalent of these minimum qualifications, including the depth and breadth of discipline knowledge plus general education. Further information and application for equivalency forms may be obtained at www.cabrillo.edu/services/hr/apps/index.html.

*Note:  Graduate students currently working on a Master’s degree are encouraged to apply, with the understanding that the degree must be completed and confirmed by July 1, 2006.*

**Required Professional Expertise**

1) Knowledge of and commitment to teaching strategies and methods which enhance student success at community colleges.

2) Effective oral and written communication skills.

3) Demonstrated ability to teach the courses or perform the duties effectively as described above (teaching demonstration will be part of the interview).

4) Ability to communicate well with students of diverse academic, ethnic, socioeconomic, and cultural backgrounds, including students with disabilities.

5) Ability to work cooperatively with others.

**Required Discipline-Specific Performance Expectations:**

1) Demonstrated recent, successful teaching of physical education and coaching experience at the high school, college or university level.

2) Knowledge of current theories and principles of intercollegiate football.

3) Demonstrated ability to coach student athletes.

4) Expertise in at least three areas of physical education other than football.
5) Knowledge of skill learning progressions from beginning to advanced levels.
6) Knowledge of conditioning and weight training principles.
7) Ability to safely lift up to 40 pounds.

**Desired Qualifications/Performance Expectations:**
1) Ability to recruit local high school athletes within California community college parameters.
2) Credential and/or experience in personal training, physical fitness or wellness programming.

**Selection Process**
A committee will review complete applications. Meeting minimum qualifications does not ensure an interview. Therefore, it is critical that candidates submit a detailed and complete application. The application will be used to assess each candidate’s qualifications and determine the possible match between qualifications and the assignment. A limited number of candidates will be invited for an interview slated for Spring semester 2006.
