Living Benefits Option
Should you be diagnosed as being terminally ill with a 12 month or less life expectancy, the Living Benefits option allows you to receive an accelerated payment of a portion of your life insurance proceeds. If you are less than age 60 you may request up to 80% of your benefit up to a maximum of $300,000. The remaining benefit is then payable to the beneficiary.

Life Conversion Option:
If your Basic Life insurance, or a portion thereof, terminates, the Conversion option allows you to convert all or a portion of your group coverage to an individual policy from Hartford Life. The conversion amount will depend on the reason coverage is terminating. You must request conversion and pay the required premium within 31 days of the date your insurance ends.

AD&D Benefits
Benefits are payable for Loss Of Speech & Hearing, Loss Of Thumb & Index Finger, Seatbelt with Airbag, Child Education Benefit, Spouse Education Benefit, Day Care Benefit, Paralysis Benefit, Extended Felonious Assault Benefit, Coma Benefit, Common Carrier and Conversion Privilege.

Safe Haven
Safe Haven is Hartford Life's settlement process that deposits Life and AD&D proceeds into an interest bearing checking account and issues a checkbook instead of a lump sum check. This provides convenience for beneficiaries who will then have a safe, accessible place to keep their insurance proceeds until they are ready to make major financial decisions.
