Math 5B

Website Search 5 points

My web page can be found from the Cabrillo home page by going to the Math site and then to the list of math faculty or by typing in the URL:
http://www.cabrillo.edu/~mladdon

Please answer the following questions and return this to me the first week of class:

My Page:
What is my name?

How many photos are on this page?

Where is my office?

What courses am I teaching this semester?

The Calculus (Math 5B) Page:
Class Expectations: List 3 of the things you can expect from me.

List 3 of the things I can expect from you.

Please read the entire list of class expectations and sign in the appropriate spot on the student information form

Assignments for the semester: What problems are assigned for section 7.2?

Weekly Schedule: What do I plan for us to be working on in week 7? Is anything important happening that week?

Related Calculus Websites: Go to one of these sites. Write a 2 or 3 sentence description of what that site contains. Please let me know if a link doesn’t work.
