COMM 10  Communication Process
3 units; 3 hours Lecture
Repeatability: May be taken a total of 1 time.
Provides experience in the three levels of communication: one-to-one, one-to-few, and one-to-many. Explores assumptions, principles, processes, variables, methods, and specialization of human communication.
Transfer Credit: Transfers to CSU; UC, with limits: COMM 2 & 10 combined: maximum credit-1 course. C-ID: COMM 115

COMM 12  Intercultural Communication
3 units; 3 hours Lecture
Repeatability: May be taken a total of 1 time.
Provides an understanding of the dynamics of intercultural communication with application to American culture, subcultures and different cultures of the world. Emphasizes culture shock, self awareness, perception, values, world views, verbal and nonverbal communication competency and ways to become a more cross-culturally sensitive and diverse communicator. May be offered in a Distance-Learning Format.
Transfer Credit: Transfers to CSU; UC. C-ID: COMM 150

COMM 14  Health Communication
3 units; 3 hours Lecture
Repeatability: May be taken a total of 1 time.
Introduces the theory and practice of health communication in culturally diverse settings. Covers patient-caregiver communication, the social, cultural, and political influences on health care access and utilization, and the impact of organizational culture on health care and communication. Students will gain practical experience in critical thinking, decision-making, and problem-solving within interpersonal, small group, and public speaking/education contexts.
Transfer Credit: Transfers to CSU.

Computer Applications/Business Technology
A.S. Degree
Computer Applications/Business Technology (CABT) prepares students to use computer applications and business procedures to solve problems in contemporary business environments. CABT courses are applicable in many career ladders including vocational training and retraining, and career advancement. CABT courses, certificates, and the A.S Degree are stepping-stones to a variety of professional careers in business and technology.
CABT courses incorporate the specialized technology skills necessary for employment in the current job market. CABT certificate and degree holders are skilled in traditional office-related occupations such as office clerk, secretary, administrative assistant, receptionist, office specialist, or customer service representative.
They are well-versed in information-age technology such as Internet research, e-mail management, spreadsheets, databases, word processing, and customer relationship management. A degree in CABT can lead to careers in human resources, public administration, marketing, medical facility management, or small business administration.

Skills Certificates:
Business Information Worker Level II
Computer Proficiency
Office Software
Sales and Records Management Support
Social Media

Certificates of Achievement:
Computer Applications /Business Technology
Administrative Support
Business Information Worker Level I

A.S. Degree:
Computer Applications/Business Technology

Career Opportunities in CABT
CABT courses incorporate the specialized technology skills necessary for employment in the current job market. CABT certificate and degree holders are skilled in traditional office-related occupations such as office clerk, secretary, administrative assistant, receptionist, office specialist, or customer service representative. They are well-versed in information-age technology such as Internet research, e-mail, spread-
sheets, databases, and word processing. A degree in CABT can lead to careers in human resources, public administration, marketing, medical facility management, or small business administration.

Learning Outcomes
1. Productively work as a team member with people of diverse experiences and backgrounds in a workplace environment.
2. Competently communicate in support of a business office, including production and design of complex electronic and paper-based correspondence and documents.
3. Use the Internet, a wide variety of current and emerging computer applications and standard business procedures to compute, analyze business performance, and solve problems.
4. Actively assist in implementing general office procedures, including records management.
5. Demonstrate high and efficient qualities of self-management and self-awareness in terms of workplace responsibility and productivity.
6. Demonstrate the ability to competently use a wide variety of office equipment, including computers, peripherals, and non-computerized office machines.

Digital Literacy Certificate of Competency

The certificate of competency in digital literacy is designed to accompany courses that prepare students for the workforce. The noncredit courses needed for completion introduce students to basic computer skills, library research, and web-based resources.

Learning Outcomes
Demonstrate and apply basic computer technology skills necessary for the completion of college course work, including basic file management, e-mail, document creation, use of library tools, use of Microsoft Word for document creation, and Internet research. Apply basic technology skills to identify, locate, retrieve, evaluate, and use a variety of reliable information sources, both print and electronic, for specific college courses or course-related work. Understand and employ conventions of acknowledging the work of others.

Computer Applications/Business Technology Courses

CABT 31 Microsoft Word
3 units; 3 hours Lecture, 2 hours Laboratory
Prerequisite: CABT 110A or equivalent keyboarding experience; CABT 106 or equivalent computer experience.
Recommended Preparation: CABT 101 or equivalent computer experience; CABT 118 or equivalent experience.
Repeatability: May be taken a total of 1 time.
Covers the basic, intermediate, and expert features of Microsoft Word necessary to produce complex, professional-quality business documents. Some of the class hours for this course may be scheduled as To Be Arranged (TBA). See the Schedule of Classes for the details about this course offering.
Transfer Credit: Transfers to CSU.

CABT 38 Introduction to Microsoft Office
3 – 4 units; 3 – 4 hours Lecture, 2 – 3 hours Laboratory
Prerequisite: CABT 110A and CABT 106 or equivalent skills.
Recommended Preparation: CABT 118 or CABT 101 or equivalent skills; Eligibility for MATH 154.
Repeatability: May be taken a total of 1 time.
Covers intermediate features of the Microsoft Office suite for producing professional documents and presentations including Word, Excel, PowerPoint, and Access. Some of the class hours for this course may be scheduled as To Be Arranged (TBA). May be offered in a Distance-Learning Format. See the Schedule of Classes for the details about this course offering.
Transfer Credit: Transfers to CSU.

CABT 41 Excel
3 units; 3 hours Lecture, 2 hours Laboratory
Hybrid Requisite: Completion of or concurrent enrollment in CABT 106 or equivalent computer skills.
Recommended Preparation: CABT 110A or equivalent basic keyboarding skills; Eligibility for MATH 154.
Repeatability: May be taken a total of 1 time.
Covers intermediate features of Microsoft Excel, including creating and managing spreadsheets, charts, small databases, and simple pivot tables. Some of the class hours for this course may be scheduled as To Be Arranged (TBA). See the Schedule of Classes for the details about this course offering. May be offered in a Distance-Learning Format.
Transfer Credit: Transfers to CSU.

CABT 43 Beginning/Intermediate Spreadsheets
2 units; 2 hours Lecture, 1 hours Laboratory
Prerequisite: CABT 101 or equivalent experience.
Recommended Preparation: CABT 110A or equivalent experience; Eligibility for MATH 154.
Repeatability: May be taken a total of 1 time.
Covers beginning to intermediate features of leading spreadsheet software, such as Microsoft Excel and Google Sheets, including creating, organizing, formatting, and managing spreadsheets, as well as sorting data, producing charts, and solving case studies in business and technical fields. May be offered in a Distance-Learning Format.
Transfer Credit: Transfers to CSU.
CABT 44  Advanced Spreadsheets
2 units; 2 hours Lecture, 1 hour Laboratory
Preequisite: CABT 43 or equivalent spreadsheet experience.
Recommended Preparation: Eligibility for MATH 154.
Repeatability: May be taken a total of 1 time.
Teaches advanced features of leading spreadsheet software, such as Microsoft Excel and Google Sheets, including collaborating on shared workbooks, advanced functions and tools for data analysis. May be offered in a Distance-Learning Format.
Transfer Credit: Transfers to CSU.

CABT 100  Business Technology & Procedures
3 units; 3 hours Lecture, 2.5 hours Laboratory
Prerequisite: CABT 110A and CABT 101 or CABT 38 or equivalent experience.
Repeatability: May be taken a total of 1 time.
Consolidates the integrated use of business technology in a modern business environment. Topics include the development of coordinated portfolios of business documents based on understanding of computer applications, business equipment, and business procedures. Some of the class hours for this course may be scheduled as To Be Arranged (TBA). See the Schedule of Classes for the details about this course offering. May be offered in a Distance-Learning Format.
Transfer Credit: Non-transferable.

CABT 101  Computer Proficiency
3 units; 3 hours Lecture, 2 hours Laboratory
Repeatability: May be taken a total of 1 time.
Provides computer proficiency skills for beginning computer users including the use of Word, Excel, Windows, file management, e-mail, Internet research, and creating a simple web page. Includes a diverse set of computer skills used in business and college. Topics focus on fundamental computer employability standards identified by Santa Cruz County educators and employers. Some of the class hours for this course may be scheduled as To Be Arranged (TBA). See the Schedule of Classes for the details about this course offering. May be offered in a Distance-Learning Format.
Transfer Credit: Non-transferable.

CABT 102  Spreadsheet Calculations
1 unit; 3 hours Laboratory
Recommended Preparation: Eligibility for MATH 154.
Repeatability: May be taken a total of 1 time.
Introduces solving business problems using spreadsheet software, Excel or Google sheets, in a self-paced course format. Covers efficient and accurate data entry, basic functions and formulas, mixed operations, percentages, sorting, and formatting, as well as critical assessment of spreadsheets. Enrollment is permitted through the twelfth week of instruction. May be offered in a Distance-Learning format. Open Entry/Open Exit.
Transfer Credit: Non-transferable.

CABT 105  Records and Information Management
3 units; 3 hours Lecture, 1 hour Laboratory
Recommended Preparation: CABT 101 or equivalent skills; CABT 110A; CABT 110B.
Repeatability: May be taken a total of 1 time.
Teaches records information management for electronic and physical records; includes database software used for records management, security, and solving common records information management problems. Some of the class hours for this course may be scheduled as To Be Arranged (TBA). May be offered in a Distance-Learning Format.
Transfer Credit: Non-transferable.

CABT 106  Introduction to Computers at Cabrillo
0.5 unit; 0.5 hour Lecture
Repeatability: May be taken a total of 1 time.
Introduces the use of computers for beginning computer users with emphasis on the Cabrillo College student computer environment. Provides hands-on experience with basic computer operation, external storage devices, the Cabrillo student network, web-based campus resources, and the creation, storage, and retrieval of documents.
Transfer Credit: Non-transferable.

CABT 107  Applied Computer Skills
1.5 – 3 units; 1.5 – 3 hours Lecture, 1 – 3 hours Laboratory
Repeatability: May be taken a total of 1 time.
Provides selected computer skills to meet the needs of specific groups of students, including, as appropriate, Word, Excel, PowerPoint, file management, e-mail, Internet research, and using online course material. Designed for learning communities, but may also be offered to other students. Some of the class hours for this course may be scheduled as To Be Arranged (TBA). See the Schedule of Classes for the details about this course offering.
Transfer Credit: Non-transferable.

CABT 108  Social Media for Business
3.5 units; 3 hours Lecture, 2 hours Laboratory
Prerequisite: CABT 101 or equivalent experience.
Recommended Preparation: CABT 161, CABT 157.
Repeatability: May be taken a total of 1 time.
Introduces tools for applying social media to business, including social networking sites, contact management tools, web conferencing, and writing for social media. Some of the class hours for this course may be scheduled as To Be Arranged (TBA). See the Schedule of Classes for the details about this course offering. May be offered in a Distance-Learning Format.
Transfer Credit: Non-transferable.

CABT 109  Customer Service and Human Relations
2 units; 2 hours Lecture, 1 hour Laboratory
Repeatability: May be taken a total of 1 time.
Teaches professional customer service skills, professional conduct, and positive problem-solving for modern workplace settings. May be offered in a Distance-Learning Format. Some of the class hours for this course may be scheduled as To Be Arranged (TBA). See the Schedule of Classes for details about this course offering.
Transfer Credit: Non-transferable.
CABT 110A  Computer Keyboarding-Alphabet Keys
0.5 unit; 1.5 hours Laboratory
Repeatability: May be taken a total of 1 time.
Covers alphabetic keyboarding skills using the touch technique in a
hands-on, self-paced format. Enrollment is permitted through the
twelfth week of instruction. May be offered in a Distance-Learning For-
mat. Pass/No Pass grading only.
Transfer Credit: Non-transferable.

CABT 110B  Computer Keyboarding-Numbers/ Symbols
0.5 unit; 1.5 hours Laboratory
Prerequisite: CABT 110A or equivalent skills.
Recommended Preparation: Eligibility for ENGL 100 or ESL 100 and
READ 100.
Repeatability: May be taken a total of 1 time.
Develops speed using the alphanumeric keyboard, including num-
ers, symbols, and the numeric keypad in a hands-on, self-paced for-
mat. Enrollment is permitted through the twelfth week of instruction.
May be offered in a Distance-Learning Format. Pass/No Pass grading only.
Transfer Credit: Non-transferable.

CABT 110C  Computer Keyboarding-Speed Development
0.5 unit; 1.5 hours Laboratory
Prerequisite: CABT 110B or equivalent skills.
Repeatability: May be taken a total of 1 time.
Develops increasing speed and accuracy using the alphabetic key-
board in a hands-on, self-paced format. Enrollment is permitted
through the twelfth week of instruction. May be offered in a Dis-
tance-Learning Format. Pass/No Pass grading only.
Transfer Credit: Non-transferable.

CABT 111  Using Speech Recognition Software
1 unit; 1 hour Lecture, 2 hours Laboratory
Repeatability: May be taken a total of 1 time.
Covers the use of speech recognition software to control the computer
using voice commands in a hands-free environment. Some of the class
hours for this course may be scheduled as To Be Arranged (TBA). See
the Schedule of Classes for the details about this course offering.
Transfer Credit: Non-transferable.

CABT 118  Using Microsoft Windows
1 unit; 1 hour Lecture, 0.5 hour Laboratory
Repeatability: May be taken a total of 1 time.
Covers the fundamental use of the PC and the Windows operating sys-
tem including file management, simple troubleshooting, running and
installing programs, customizing the desktop, and using Windows ac-
cessory programs such as WordPad, Paint, and Internet Explorer. Some
