GETTING STARTED IN 7 STEPS

STEP 1:
APPLY FOR ADMISSION

Applying for admission is free and the application is available on the Admissions website: www.cabrillo.edu/services/ar/. See the academic calendar on page 2 of this schedule for the application date for the semester for which you will be applying.

Allow two business days for your application to be processed. If we have questions about your application, we will contact you by e-mail. Upon completion, Admissions & Records will e-mail you a welcome letter to confirm your admission to the College and inform you of your Cabrillo Student Identification number. Keep this information in a safe place as it is a number you will need to know while in attendance at the college.

If you require assistance applying online, we encourage you to contact the Admissions & Records office (in Aptos or Watsonville) so that we may help you. In addition to the general application for admission, some programs have specialized application requirements and procedures. Please refer to these specific programs for more details:

- Global Study Options/Study Abroad
- Dental Hygiene
- Nursing
- Radiologic Technology

Returning Students

If you applied for admission or attended Cabrillo during the semester immediately prior to the one for which you are applying, you do not need to apply again and may register for classes as a continuing student. Otherwise, you do need to submit a new application.

High School Students

If you are a high school student and have permission from your high school to attend Cabrillo while still in high school, you may register for classes at Cabrillo as a Dual Enrolled student. Each semester you will submit the online application for admission and the Dual Enrollment form. The Dual Enrollment form is available at your high school or by going to this link: www.cabrillo.edu/services/outreach/concurrent.html

This form requires signatures from the principal or designee, parent/legal guardian and, in some cases, a Cabrillo counselor. Bring the Dual Enrollment form to the Admissions & Records office where the form will be processed so that you may register through WebAdvisor on your registration date.

International Students

International student applications are due on July 1 for the fall semester and December 1 for the spring semester.

International students may either download the International Student Application at: go.cabrillo.edu/s or request that one be mailed. Please refer to the International Student web page for further details on admission requirements. All international students with F-1 status are required to comply with U.S. immigration regulations.

STEP 2:
APPLY FOR FINANCIAL AID

Paying for your classes? You may be eligible for a BOG enrollment fee waiver and more!

Apply by completing a FAFSA online at www.fafsa.gov
or the California Dream Application at: www.csac.ca.gov/dream_act.asp

The number one reason students do not receive aid is because they do not apply.

You may get:

- Your enrollment fees waived
- Reduced cost on a parking permit
- Money for you educational costs to pursue your academic goal

For more information about financial aid visit us online at www.cabrillo.edu/services/finaid/ or come by and see us in the Welcome Center.

Remember:
You can't receive aid if you don't apply!
If you have any questions, call us at (831) 479-6100

STEP 3:
ORIENTATION

Orientation to college is one of three core services that are required of all first-time students. The remaining two are assessment for course placement and educational planning.

International students may either download the International Student Application at: go.cabrillo.edu/s or request that one be mailed. Please refer to the International Student website for further details on admission requirements. All international students with F-1 status are required to comply with U.S. immigration regulations.

STEP 4:
ASSESSMENT

Assessment for course placement is one of the required services for all first-time college students. Orientation and educational planning are the other two. Completion of assessment is required before registering for classes. It is not a college admissions test. The assessment test provides you with information about your skill levels in English, math, reading, and English as a Second Language. The purpose is to help you succeed by accurately placing you into classes at your demonstrated skill level. You are strongly urged to review the sample tests. Especially for math, studying beforehand gives you a better chance of placing into a higher-level math class. This can save you time, money and prevent the possibility of repeating course work that you’ve already had.

After the assessment, you will receive your results. We will review your course placement and your next steps in the registration process. You may be advised to reassess. You may also be advised to take the ESL assessment if you are a bi-lingual speaker, as low scores on the English assessment may indicate some specific needs. This does NOT suggest that you belong in the ESL program but rather, may benefit from a class that specifically focuses on writing issues for second-language learners. You can take the assessment twice in a six-month period with a one-week waiting period. Your results will be in WebAdvisor 24 hours after the assessment session is complete. Don’t wait to assess – this process can take two or more weeks to complete.

[continued, next page]
GETTING STARTED IN 7 STEPS

NOTE: If you have enrolled in a Cabrillo math class and received a grade of a “W” you may not be able to take or retake the assessment for placement into a higher class level.

Reservations are not taken for math and/or English assessment sessions. Capacity is limited and is first come, first served for the scheduled assessment sessions. Sessions begin on the hour posted and there is no late seating. Arrive early; check-in begins 30 minutes prior to the posted start time. See our website for the assessment calendar.

Requirements for Assessment:
1. Application: If you are a new student, you are required to complete the online application prior to taking the assessment. Apply now at www.cabrillo.edu/services/outreach/futurestudents.html
2. Orientation: You are required to complete the online orientation before assessment. Use your Cabrillo ID to log in. Complete the orientation at: https://sirena.cabrillo.edu

3. Valid Picture ID is required to take the assessment.
4. Cabrillo College student ID is required. Your student ID will be emailed to you after you apply online. You can also find your student ID on your WebAdvisor account under “My Profile.”

Testing Accommodations
We can provide accommodations for assessment testing. To make a special testing arrangement, begin the process in the office that applies to you:

Physically disabled students: Accessibility Support Center (831) 479-6379, Upstairs Library
Learning disabled students: Learning Skills (831) 479-6220, Upstairs Library

Do I take an assessment test for an ESL class?
Yes! Students studying English must take a placement test in order to register for ESL classes. The ESL assessment test will recommend the best class for your skills. All schedules for ESL assessment tests are available at the Assessment Office, the Watsonville Center and online at www.cabrillo.edu/services/assessment
Phone number: (831) 479-3516

You do not need assessment if:
You show a counselor or Admissions & Records evaluator your official documentation for one of the following:
1. Successful completion of previous college level English, ESL, or math courses
2. Placements results from another college
3. For English only: Advanced Placement (AP) test with scores of 3, 4, or 5 in English Language or English Literature
4. For math only:
   a) Advanced Placement (AP) test: Calculus AB, Calculus BC or Statistics with scores of 3, 4, or 5
   b) International Baccalaureate (IB) test: Mathematics (HL) High Level with score of 5, 6, or 7
   c) College-Level Examination Program (CLEP) tests: College Mathematics or Trigonometry, Pre-Calculus or Trigonometry with a score of at least 50
   d) Early Assessment Program (EAP) test results: “demonstrating college readiness”
5. A college degree.

NOTE: It is strongly recommended that students re-assess if their course preparation (either prerequisite coursework or assessment cores) is more than 2 years old.

STEP 5: ATTEND AN EDUCATION PLAN WORKSHOP
Developing an education plan is the third requirement for new students. Attend an Education Plan Workshop before seeing a counselor. Go to www.cabrillo.edu/services/counseling to see if the workshop is right for you. Call (831) 479-6385 or signup in the Transfer Center to attend the workshop.
Schedule online at www.cabrillo.edu/services/counseling/edplanning.html
This workshop will give you a foundation for the more complicated planning you will need to reach your educational goal and complete your program of study/major in a reasonable and efficient timeframe.

Admissions & Records and Financial Aid are now PAPERLESS!
- Communications to students from Admissions & Records and Financial Aid are only done by e-mail.

**Estudiantes de la escuela secundaria**

Si es estudiante de una escuela secundaria y tiene permiso de su escuela para asistir a Cabrillo, mientras se asiste todavía a la escuela, puede matricularse en sus clases en Cabrillo como estudiante de matriculación concurrente. Dado que está el semestre en el que se presentó la solicitud, no necesita volver a solicitar la admisión y puede matricularse en las clases como estudiante que continúa. De otra manera, debe presentar una nueva solicitud.

**Estudiantes internacionales**

La solicitud de admisión para estudiantes internacionales debe entregarse a más tarde el 1º de diciembre para el semestre de primavera y el 1º de julio para el semestre de verano.

Los estudiantes internacionales pueden bajar la solicitud en [go.cabrillo.edu/is](http://go.cabrillo.edu/is) o pedir que se les envíe una solicitud por correo. - Dinero para sus gastos de educación para lograr sus metas académicas.

Para más información sobre ayuda financiera visiten en Internet [go.cabrillo.edu/financialaid](http://go.cabrillo.edu/financialaid) o pase por nuestra oficina en el edificio 100.

¡No puede recibir ayuda financiera si no lo solicita! Si tiene alguna pregunta llámenos al (831) 479-6100

**PASO 3 ORIENTACIÓN**

La sesión de orientación es uno de los tres servicios claves obligatorios en Cabrillo para todos los estudiantes que se matriculan por primera vez. Los otros dos son la evaluación para ubicación en las clases y el plan de estudios. Todos los community colleges requieren y proveen servicios de orientación. La orientación se provee de varias maneras en Cabrillo: por Internet en la página de Web del college y a través de varios cursos de Asesoramiento y Guía (CG).

**PASO 4 EVALUACIÓN**

Centro de Evaluación en:

La evaluación para la ubicación en cursos es uno de los tres servicios obligatorios para los estudiantes que se matriculan por primera vez. La orientación y el plan de estudio son los otros dos. Es necesario completar la evaluación antes de matricularse en las clases. No es una prueba de admisión. La prueba de evaluación provee información sobre su nivel de de- strezas en inglés, matemáticas, lectura, e inglés como segundo idioma. El propósito es ayudarle a salir bien ubicándolo en clases para las que ha demostrado un cierto nivel de destrezas. Lo alentamos a revisar el ejemplo de pruebas. Especialmente para matemáticas; estudiar de antemano le ofrece más oportunidad de ser ubicado en una clase de matemáticas a más nivel de alto. Esto puede ahorrarle tiempo, dinero y la posibilidad de repetir el trabajo de un curso que ya ha tomado.

Después de la evaluación recibirás sus resultados. Revisaremos su ubicación en cursos y sus próximos pasos en el proceso de matriculación. Puede ser que se le aconseje una re-evaluación. Puede también que se le aconseje tomar la evaluación de ESL si usted es bilingüe verbalmente, ya que un bajo puntaje en inglés puede indicar algunas necesidades específicas. Esto NO sugiere que usted tenga que entrar en el programa de ESL, sino que puede beneficiarse tomando un curso que enfoque específicamente asuntos de escritura para quienes aprenden un segundo idioma.

Puede tomar la evaluación dos veces en un periodo de seis meses, con una semana como periodo de espera. Sus resultados estarán en WebAdvisor 24 horas después de completar la evaluación. No se debe estar - completar este proceso puede.
7 PASOS PARA COMENZAR

llevarle dos o más semanas. NOTA: Si se matricula una clase de matemáticas en Cabrillo y ha recibido una nota “W”, quizá no pueda tomar o volver a tomar la prueba de evaluación para ser ubicado en una clase a más alto nivel.

No se aceptan reservaciones para las sesiones de evaluación de matemáticas y/o inglés. La capacidad es limitada y se aceptan los estudiantes por orden de llegada a las sesiones programadas de evaluación. Las sesiones comienzan a la hora fijada y no se puede entrar tarde. Llegue temprano; inscríbase 30 minutos antes de la hora fijada para comenzar. Vea nuestra página de web para el calendario de evaluaciones.

Requisitos para la evaluación:
1. **Solicitud:** Sí, si es estudiante nuevo, debe completar la solicitud en Internet antes de tomar la evaluación. Solicítela ahora en www.cabrillo.edu/services/outreach/futurestudents.html
2. **Orientación:** Es necesario que complete la orientación por Internet antes de la evaluación. Complete la orientación en https://sirena.cabrillo.edu. Utilice su ID de Cabrillo para ingresar a la página de orientación. Al terminar la orientación imprima la página “Certificate of Completion” que muestra su nombre y lleve el certificado con usted a la prueba de evaluación o saque una foto a la pantalla y presente en su dispositivo móvil.
3. **Documento de identidad válido y con foto:** se requiere para tomar la evaluación.
4. **EINP de identidad como estudiante de Cabrillo College requerido. Su Nº de identidad se le enviará por e-mail después que presente la solicitud por Internet. También puede hallarlo en su cuenta en WebAdvisor en “MyProfile.”

Acomodaciones para tomar la prueba

Podemos proveer acomodaciones para tomar la prueba de evaluación. Para hacer un arreglo especial para tomar la prueba comience el proceso en el office que le sea pertinente:
- Estudiantes con discapacidad física: Accessibility Support Center (831) 479-6379 - Biblioteca del segundo piso.
- Estudiantes con discapacidad en el aprendizaje: Learning Skills Program, (831) 479-6220 - Biblioteca del Segundo piso.

- ¿Debo tomar la prueba de evaluación para una clase de ESL?
  (Sí) Los estudiantes estudiando inglés deben tomar una prueba de evaluación para poder matricularse en clases de ESL. La prueba de evaluación de ESL recomendará la mejor clase para sus destrezas. Todos los horarios de las pruebas de evaluación para ESL están disponibles en la Oficina de Evaluación, en el Centro de Watsonville y en Internet en www.cabrillo.edu/services/assessment, (831) 479-3516.

  No necesita evaluación si:
  - Le muestra a un consejero en la Oficina de Admisiones su documentación oficial de uno de los siguientes:
    1. Haber completado un curso previo de inglés, ESL o matemáticas a nivel de college.
    2. Resultados de ubicación en otro college.
    3. Para inglés solamente: prueba de ubicación avanzada (AP) con puntaje de 3, 4 o 5 en idioma inglés o literatura inglesa.

  1. Para matemáticas solamente:
    a) Prueba de ubicación: Cálculo AB, Cálculo BC o Estadística con puntaje de 3, 4, 5.
    b) Pruebas de International Baccalaureate (IB): Matemáticas de alto nivel con puntaje de 3, 4 ó 5.
    c) Pruebas del Programa de Examen de Transferencia: Pre-Cálculo o Trigonometría, con un puntaje de por lo menos 50.
    d) Resultados de pruebas del Programa de Evaluación Temprana (EAP): “demostrando estar listo para el college”.

  5. Un título universitario/de college.

NOTA: Se recomienda mucho que los estudiantes vuelvan a evaluar su capacidad si su preparación para los cursos (ya sea de un curso como requisito previo o puntajes de evaluación) tiene más de dos años.

www.cabrillo.edu/services/ar/fees-summerwinter.html

Tips on dropping a course and paying your fees
Were you billed for classes you forgot to drop? If you enroll in a class and then change your mind and decide not to attend it, you need to officially drop the class before the refund deadline. Otherwise you are responsible for paying the fees. We do not automatically drop you from classes you haven’t paid, and an outstanding balance may prevent you from registering.

Refunds for dropping a course
Refund dates vary for short term summer courses. In most cases, the last day to drop a summer section and receive a reversal of charges or refund of enrollment is the first day of class. We charge a $10 processing fee for refunds, except for cancelled classes and fees collected in error. If you paid your fees via WebAdvisor using a credit card within the last 120 days, we will refund your credit card. In all other cases refunds will be processed as an Electronic Funds Transfer to the student’s bank account or Easy Refund to the Cabrillo Access Debit card. We begin processing refunds the week following the last day to add/drop for the semester. If you drop by that deadline, you should expect your refund within 30 days of the deadline.

Parking Permit Refunds  
Return the parking permit to the Welcome Center (SAC East) in person by the appropriate deadline to be eligible for a refund. Unfortunately we cannot issue you a refund after the deadline, even if you never picked up the bus pass or parking permit.

Refund or Credit of the Student Activity Card Fee
The $10 Student Activity Card fee will be refunded if you drop all of your classes before the first day of the term. Before the term begins, you may also decline the fee on WebAdvisor (“Decline Student Activity Card Benefits”) or in person at the Welcome Center. For more information about the Student Activity Card, visit the webpage:

Santa Cruz Metro provee servicio a través del condado de Santa Cruz con conexión a autobuses de Monterey-Salinas Transit. Los estudiantes deberán mostrar su tarjeta de identificación de Cabrillo con la calcomanía del semestre actual para poder abordar el autobús. Las calcomanías están disponibles en el Centro de Bienvenida (SAC West).

1. Permiso de estacionamiento $40 (o $20 para estudiantes con BOC)
2. Fondo del Centro Infantil $2
3. Tarjeta de actividades estudiantiles* $10
*Este arancel opcional es cobrado automáticamente, pero puede ser eximido.

¿Cómo puedo pagar el costo de mis aranceles?
Puede pagar sus aranceles de matriculación y demás usando dinero en efectivo, tarjeta Visa o MasterCard, cheque o giro postal.

Hay varias maneras de pagar sus aranceles. Puede usar el WebAdvisor, Cabrillo College Centro de Bienvenida, las cajas seguras Drop Box en Aptos o en Watsonville, o enviando el pago por correo a:

Cabrillo College Centro de Bienvenida, 6500 Soquel Drive, Aptos, CA 95003

Para más detalles e información visite: www.cabrillo.edu/services/ar/fees-summerwinter.html

**Sugerencias para abandonar un curso y pagar sus aranceles**

¡No se quede atascado debiéndonos dinero por clases que se le olvidó abandonar! Si se inscribe en una clase y luego cambia de idea y decide no asistir, debe abandonar la clase oficialmente antes del plazo para recibir reembolso. De lo contrario deberá pagar la clase aunque no haya asistido. Nosotros no lo borraríamos automáticamente de las clases que no ha pagado, y el balance que debe puede prevenirle que vuelva a matricularse.

**Aranceles y reembolsos**

**Reembolso por abandonar un curso**

Las fechas para reembolsos varían durante la sesión de verano. En la mayoría de los casos, el último día para abandonar un curso de verano y recibir un reembolso es el primer día de clase. Cobramos $10 para procesar el reembolso de un arancel, excepto de clases canceladas y de aranceles cobrados por error. Si usted pagó sus aranceles vía WebAdvisor usando una tarjeta de crédito dentro de los últimos 120 días, le reembolsaremos el cargo a su tarjeta. En todo otro caso los reembolsos serán procesados como transferencia electrónica de fondos a la cuenta bancaria del estudiante o como un reembolso fácil a la tarjeta Cabrillo Access Debit Card. Comenzamos a procesar los reembolsos del semestre la semana después del último día para agregar/abandonar una clase. Si abandona la clase antes de ese plazo, puede esperar su reembolso en los siguientes 30 días.

**Reembolso del permiso de estacionar**

Regrese el permiso de estacionamiento al Centro de Bienvenida (SAC East) en persona dentro del plazo establecido y será elegible para recibir un reembolso. Desafortunadamente no podemos reembolsar la tarifa después de la fecha de plazo, aun si nunca pasó a recoger su permiso o pase de autobús.

**Reembolso o crédito del arancel por la tarjeta de Actividades Estudiantiles**

El arancel de $10 de la tarjeta de Actividades Estudiantiles se le reembolsará si cancela todas sus clases antes del primer día del semestre. También puede elegir rechazar el pago del arancel en WebAdvisor haciendo clic en “Decline Student Activity Card Benefits” o en persona en el Centro de Bienvenida antes de que comience el semestre. Para más información sobre la tarjeta de Actividades Estudiantiles visite la página: www.cabrillo.edu/associations/studentsenate/sac-how-where.html

See the Catalog, the Schedule of Classes, and the Cabrillo web page for more information. A counselor can also assist you with information about these requisites.

If you believe you already have the skill level offered in the prerequisite, corequisite, or hybrid requisite course, see the Challenge Process on this page.

The Challenge Process for Requisites
Throughout the Challenge Process you can petition the related department for approval to skip a prerequisite or corequisite course by showing through documentation, academic records or other verifiable means that you have the skills and/or knowledge required by the prerequisite or corequisite course. Student-Right-To-Know

In compliance with the Student-Right-To-Know and Campus Security Act of 1990 (Public Law 101-542), it is the policy of our college district to make available its completion and transfer rates and campus crime statistics to all current and prospective students. You can get more information at the California Community Colleges link: http://srtk.cccco.edu/index.asp

Smoking Policy

The Cabrillo Community College District is committed to a healthy and productive educational and work environment. As such, and in light of well-established health risks associated with smoking and exposure to secondhand smoke, Cabrillo Community College District prohibits smoking in all campus areas and locations, effective January 1, 2015.

Student Rights and Responsibilities

Cabrillo College is committed to the California Community College mission to promote high quality learning and teaching in a supportive environment for all students. To this end, the Student Rights and Responsibilities handbook was produced. It was originally developed with students, faculty, staff, and administration in mind as a guide to protect the individual rights of all students when it is believed these rights may have been violated. This handbook also outlines students’ responsibilities to the Cabrillo College community. As the needs of students change, we are committed to making sure we change with them. Therefore, the current edition was created to evolve with the updates to legislation and policy.

For questions and/or comments, contact the Office of the Dean of Student Services, (831) 477-3584. You can view the Handbook online at this website: Student Handbook

Open Enrollment

It is the policy of Cabrillo College that, unless specifically exempted by statute, every course, course section, or class that is reported for state apportionment and maintained by the district, shall be fully open to enrollment and participation by any person who has been admitted to the college and who meets such prerequisites and selection procedures as may be established by Title 5 of the California Administrative Code, commencing with Section 55200.

Parking Regulations and Citations

The California Vehicle Code is enforced on campus. Students must have parking permits to park on campus in student lots. It is recommended that students select a parking permit when they register. A student who does not purchase a parking permit must pay $4 (exact change only; some machines will accept debit/credit cards only) for a day permit in a student lot. The first day of the semester is a grace period in all of the student lots only. Tickets will be written the first day in all staff lots, specially posted areas and in the visitor parking meters. Ticketing will begin in all campus lots the second day of classes.

Parking citation rates may be adjusted at any time. For more information, go to: www.cabrillo.edu/services/welcomecenter/BusPassesParkingPermits.html

Privacy Rights for Students

Student information is confidential and not released to the public except for information designated as “Directory Information.” Directory information is (a) student name, (b) participation in recognized activities and sports, (c) dates of attendance, (d) degrees and awards received, (e) the most recent previous educational agency or institution attended. Students who do not want Directory information released must notify Admissions & Records in writing. The Cabrillo College Catalog describes student record access and privacy rights as required by the Family Educational Rights and Privacy Act (Section 438, Public Law 93-380) in more detail. You can also access this information at: www.cabrillo.edu/services/ar/family-support.html

Sexual Harassment Policy

It is the policy of the Cabrillo Community College District to provide an educational, employment, and business environment free of unlawful and unwelcome sexual advances, requests for sexual favors, and other verbal, visual, or physical conduct of a sexual nature made by someone from or in the workplace, or in the educational setting constituting sexual harassment as defined and otherwise prohibited by state and federal statutes. For additional information regarding this policy and the procedures involved, contact the Director of Human Resources (831) 479-6217 regarding Cabrillo employees or the Dean of Student Services (831) 479-6525 regarding Cabrillo students.

You will have five (5) calendar days to register. If a space becomes available and you are the next person on the waitlist, you will be eligible to register in that class section. You are not automatically registered when space opens up. We give you five calendar days from the time space becomes available to register. If you fail to register during this time frame, we will drop you from the waitlist.”

“The course I want to take has a prerequisite, a corequisite, or a hybrid requisite course listed. Do I have to take that course?”

Yes. Here are the requirements for the different types or requisites:
- Prerequisite course: You must have satisfactorily completed the prerequisite listed before you can enroll.
- Corequisite course: You must take the corequisite at the same time as the course.
- Hybrid requisite: You may take the hybrid requisite before or at the same time as the course.

“Can I register in late starting Distance Education (online) courses?”

You may register in late starting courses up until the day before class starts if there is room in the class. If a Distance Education course (online class) is full, you may get on the waitlist. If you are still on the waitlist when class starts, you must e-mail the instructor about getting an add code in order to register. Deadlines for short-term courses are different for each course; ask your instructor or Admissions & Records.

“The class I want to take is full. May I get on a waitlist?”

Yes! If the class section you would like to take is full (closed) at the time you register, you may choose to be placed on the class section waitlist if there is space available. Be sure Admissions & Records has your correct e-mail address on file.

- You may add your name without charge, to the waitlist
- If space becomes available in the wait listed section, the first person on the waitlist will become eligible to register in that class section
- It is your responsibility to monitor your position on the waitlist on WebAdvisor and to register. If a space becomes available to you will be notified by an email from Admissions & Records when you need to take action
- You will have five (5) calendar days to register from the time the space becomes available, or your name will be dropped from the waitlist
- Other students on the waitlist will move up and be allowed to register as space becomes available
- You can only be waitlisted for one section of a course at any one time

Students who are still on waitlists when classes begin must attend class the first day, obtain an add code, and complete the registration process by the deadline.

“How do I add a class after the term has started?”

Obtain an “Add Code” from the instructor of the class for which you want to register (either attend the first class meeting or for online classes contact the instructor or attend the orientation session). “Add Codes” can only be used during the Add Period at the beginning of the term (after the class has started).

Each “Add Code” is a unique number that is specific to adding the course you have inquired about. This code, once entered on the registration screen in WebAdvisor, will authorize you to register for this course. If you have a hold on your account (due to outstanding fees, residency issues or other reasons), you will have to take care of the hold prior to using your “Add Code” to register for the course. Short-term or late start classes have until 11:59 pm on the first day of class to successfully enter the add code. Use WebAdvisor online at www.cabrillo.edu to use your “Add Code” to add a class.

- Go to “Search and Register”
- Select the section for which you have the Add Code
- Under Action, select “Register”
- In the Add Code field, type in the 4-digit code you were given
- Scroll down to the bottom of the page and click on the Submit button
- Payment for your tuition and fees is due and must be received by the college within five (5) business days from the day you registered for classes

“What if the section I want is full?”

Get on the waitlist by using WebAdvisor (look for the “Waitlist” action when registering). If you require in-person assistance, we would be happy to assist you at one of the Welcome Center computers. If the waitlist is full, keep checking back to try to get on it. If space becomes available and you are the next person on the waitlist, you will be eligible to register in that class section. You are not automatically registered when space opens up. We give you five calendar days from the time space becomes available to register. If you fail to register during this time frame, we will drop you from the waitlist.
FREQUENTLY ASKED QUESTIONS

“How will I know if space becomes available?”

It is your responsibility to monitor your position on the waitlist and to register if a space becomes available for you. To monitor your position on the waitlist, use the “Manage My Waitlist” function of WebAdvisor. If your status reads “Permission” you are eligible to register for the class.

WebAdvisor may not let you register if you are repeating a course, don’t meet the prerequisites, or the course overlaps with another. Contact us at (831) 479-6201 to see if you need to register in person.

As a courtesy, we will notify you by e-mail when you become eligible to register for the section. Do we have your correct e-mail address? Update it using either WebAdvisor or a Change of Information form.

“What if no space becomes available?”

You might still have a chance. Attend the first class session and talk with the instructor. If there is room, obtain an Add Code from the instructor and use it to register for the class in WebAdvisor.

What if I received permission to register in one corequisite course but not the other?

WebAdvisor will only allow you to register online if you have permission in both corequisite courses. If you gained permission to register in a lecture course with a lab corequisite with no open seats, you MUST register for both sections in-person at an Admissions & Records office. If you received permission to register in the lab section with a lecture corequisite with no open seats, you will not be allowed to register unless a lecture seat becomes available. Examples of this situation are Spanish 1 with a lab corequisite of Spanish 51L and English 1A with a lab corequisite of Library 10.

Can I get on multiple waitlists for different sections of the same course?

No. In addition, you may not be registered in one class section and waitlisted for another class section of the same course, even in two different terms. For example, if you are on the waitlist for BIO 6 for the summer term and you then register for BIO 6 in the fall, you will be dropped from the summer waitlist.

“How do I drop a class?”

Use WebAdvisor online at www.cabrillo.edu to drop a class.

- You must drop a summer course by the first day of class to be eligible to receive a refund or fee reversal.
- To avoid a “W” grade, you must officially withdraw from the class by the drop deadline.
- To avoid an “F” or “NF” grade you must officially withdraw from the class by the drop deadline.

It is your responsibility to drop a class by the drop deadline. Do not assume that you are automatically dropped from any class, or that your instructor as dropped you from the class. To receive a refund or have charges reversed, you must officially drop a course using WebAdvisor by the deadline date.

Receiving Financial Aid? Before withdrawing or dropping a course, check with the Financial Aid Office. In some situations, you will be required to payback financial aid you already received. Students receiving financial aid who plan to completely withdraw should file an Intent to Withdraw Form with the Financial Aid Office.

Dropping a class so you can take this class next semester? Careful: You are ONLY allowed three attempts to successfully pass a course and then you will be unable to take it again at Cabrillo.

“How can I get a refund or reversal of charges for a class?”

Refunds or reversal of charges apply only if you officially drop the class by the deadline, as indicated above. If the class is canceled, your tuition and fees will be refunded.

The Admissions & Records Office WILL NOT drop you for unpaid fees, and fees remain payable, even if you do not attend, unless you officially drop the class before the refund deadline. If you decide not to continue in a class, drop the class yourself. If you wait for the instructor to drop you, you will not receive a refund or reversal of charges. And the instructor may not drop you. All refunds or disbursements are available through the Cabrillo Access Debit MasterCard. Go to http://www.cabrillo.edu/services/welcomecenter/studentaccounts/cab-access-card.html to select the refund or disbursement option that is best for you. Make sure your mailing address is current by keeping it updated on WebAdvisor to ensure receipt of your Cabrillo Access Card.

“What is the deadline for refund/reversal of charges for parking permits?”

Drop deadlines for summer courses vary and is normally the first day of class. If a parking permit was already issued, it must be returned by the Friday before the deadline for reversal of charges. No exceptions.

“What if my fees are paid by an agency?”

If an agency or program is paying your fees, a voucher or “authorization to bill” must be sent within five days of registration (instead of a payment). Remember to keep a copy of the voucher or authorization. Cabrillo will send a bill to the agency or program. Fee-paying agencies or programs include (but are not limited to): CareerWorks, Summer Migrant Program, E.D.D., Disability Compensation, Veterans Programs, employers.

“Oops. My check bounced.”

A $25 service fee will be charged for all checks and credit card transactions returned to the college for account difficulties. If your check or credit card transaction is returned, you will be notified by mail. Your registration and transcripts will be held until all delinquencies are cleared. Returned check delinquencies may not be paid with another personal check, but must be paid with cash, money order, or cashier’s check.

“What are residency requirements for Cabrillo College?”

To qualify as a California resident, you must meet the following criteria:

1. You have lived in California for at least one year and a day before the beginning of the semester.

2. You must demonstrate your intent to establish California residency by providing documentation outlined on the list of approved documents available online at http://go.cabrillo.edu/ca-res.

In addition to the above, if you are:

1. 18 years old and one of your parents has lived in California the required time.

2. Not a United States citizen you must be able to verify that you have applied for residency with the United States Citizenship and Immigration Services (USCIS) at least one year and one day immediately preceding the beginning of the semester, OR that you have a visa that allows you to establish California residency.

AB 540 allows certain nonresident students who have attended three years of high school in California and received a high school diploma or its equivalent, to be exempt from paying nonresident tuition. Contact Admissions & Records if you have questions about Residency.

Remember: If your residency status changes from nonresident to resident while you are enrolled at Cabrillo, you must submit a change of Residency Status form, with a statement of legal residence, and documentation to Admissions & Records to change your status. We will not make retroactive changes to Residency Status.
MATRICULACIÓN / PREGUNTAS HECHAS CON FRECUENCIA

“Tengo problemas matriculándome/agregando un curso. ¿Cuál podría ser el problema?”

Arañas no pagados (arañas de matriculación, multas de la biblioteca, etc.): deben ser pagados antes de poder matricularse o abandonar un curso.

 Suspensión por nivel o progreso académico: debe reunirse con un consejero de Cabrillo College.

Más del número máximo de unidades: debe reunirse con un consejero de Cabrillo College.

Requisitos previos no completados: toma una prueba de evaluación en matemáticas e inglés o presente prueba de su trabajo en cursos previos en la Oficina de Admisiones.

Co-requisitos: debe matricularse en la clase que figura como co-requisito, según lo especifica el Programa de Clases.

Cursos que se sobreponen por diez minutos: debe obtener una 'pérdida de sobreposición' firmada por los dos instructores y su decano, y presentarla a la Oficina de Admisiones.

Repetición de un curso: Debe presentar una 'pérdida de repetición' y satisfacer uno de los requisitos. Matricúlese personalmente en la Oficina de Admisiones.

Problema de solicitud o de residencia: debe consultarlo con personal de la Oficina de Admisiones.

Código para agregar curso no válido: vea a su instructor.

“¿Cómo me matriculo en los cursos que comienzan tarde y en los cursos de Educación a la Distancia (por Internet)?”

Puede matricularse en los cursos que comienzan tarde hasta el día anterior al comienzo de la clase y hay lugar en la clase.

Un curso de Educación a la Distancia (clase por Internet) está lleno, puede anotarse en la lista de espera. Si todavía está en la lista de espera al comienzo de la clase, debe enviarle mensaje electrónico al instructor para obtener un código para matricularse.

La fecha de plazo para los cursos cortos son diferentes para cada curso; pregúntele a su instructor o en la Oficina de Admisiones.

“El curso que deseo tomar tiene un curso como requisito previo, un co-requisito y/o un requisito híbrido (parte de la clase se toma por Internet). ¿Necesito tomar ese curso?”

Sí, estas son las reglas para los diferentes tipos de cursos de requisito:

Requisito previo: Debe haber completado satisfactoriamente el requisito previo antes de matricularse en el curso que desea.

Co-requisito: Debe tomar el "co-requisito" al mismo tiempo que el curso que desea.

Requisito híbrido: Puede tomar el requisito híbrido antes o al mismo tiempo que el curso que desea.

Puede satisfacer el curso de requisito de varias maneras: tome el curso requerido, o miéntele a un consejero prueba de haber completado el mismo curso en otro colegio, o házale un "desafío" al curso de requisito. El "proceso de desafío" le permite a usted demostrarle a un comité de instructores que tiene el cono-cimientos/olas destrezas que habría adquirido en el curso que es requisito previo, co-requisito o requisito híbrido. Si es aprobado, no necesita tomar el requisito. Hay formularios para este proceso y plazos que debe cumplir.

Siga el proceso descrito en el Student Success & Support Program - Programa de Apoyo y Éxito del Estudiante en la página Web http://www.cabrillo.edu/services/matriculation/ o llame al (831) 477-3242, o pase por el edificio 100, oficina 103 para más información.

“La clase que deseo tomar está llena. ¿Puedo anotarme en una lista de espera?”

¡Sí! Si la sección de la clase que desea tomar está completa (cerrada) en el momento en que usted se matricula, puede anotar su nombre en la lista de espera de esa sección de la clase si hay lugar disponible. Asegúrese que la Oficina de Admisiones tenga su dirección correcta decorreo electrónico o sus archivos.

* Puede agregar su nombre, sin cargo, a la lista de espera.
* Cuando se desocupe un lugar en esa sección de la clase, la primera persona en la lista se calificará para matricularse en esa sección.
* Usted es responsable de controlar su posición en la lista de espera en el WebAdvisor y de matricularse si hay lugar disponible para usted.
* Tendrá cinco (5) días calendarios para matricularse, desde el momento en que el lugar esté disponible, o su nombre será borrado de la lista de espera.
* Otros estudiantes en la lista de espera avanzarán en la lista y podrán matricularse a medida que vaya habiendo lugares disponibles.
* Sólo puede anotarse en la lista de espera de una sección de un curso a la vez.

Los estudiantes que todavía estén en lista de espera al comienzo de la clase deben asistir a la clase el primer día, obtener un código para agregar y completar el proceso de matricularse antes de la fecha de plazo.

“¿Cómo agrego un curso después del comienzo de las clases?”

Obtenga del instructor de la clase en la que desea matricularse un "código para agregar" (asista a la primera clase, o, para los cursos por Internet, comuníquese con el instructor o asista a la sesión de orientación).

Los códigos para agregar sólo pueden usarse durante el período especificado para agregar cursos al comienzo del semestre (después del comienzo de las clases).

Cada "código para agregar" es un número único, específicamente para agregar el curso que le ha solicitado al instructor. Este código, una vez que entra en la pantalla de matriculación en el WebAdvisor, le autorizará a usted a matricularse en ese curso. Si su cuenta está retenida (por deber aranceles, problemas de residencia u otras razones), tendrá que resolver el problema que causa la retención de la cuenta antes de poder usar su “código para agregar” para matricularse en ese curso. Cursos breves o que comienzan tarde tienen hasta las 11:59 horas del primer día de clase para entrar el código exitosamente.

Use el WebAdvisor en www.cabrillo.edu para entrar su “código para agregar” y obtener la clase que desea.

- Vaya a “Search and Register”
- Seleccione la sección para la que tiene un “código para agregar”.
- En Action, seleccione “Register”.
- En la casilla de Add Code escriba el código de 4 dígitos que se le dio.
- Baje al final de la página y haga clic en “Submit”
- El pago de su matriculación y los aranceles deben ser enviados inmediatamente y deben ser recibidos por el college en cinco (5) días laborales a partir del día en que se matriculó para las clases.

“¿Qué pasa si la sección que yo deseo está llena?”

Anótese en la lista de espera usando el WebAdvisor (busque “Waitlist” al matricularse). Sí encuentran ayuda en una de las computadoras del Centro de Bien Venidas (SAC East), la lista de espera está llena, cuéche regularmente para tratar de poder anotarse.

Cuando haya lugar disponible y usted esté al tope de la lista de espera, calificará para matricularse en esa sección de la clase.

Cuando haya lugar disponible no se matriculará automáticamente. Tendrá cinco (5) días calendarios desde la fecha en que se desocupó un lugar para matricularse. Si no se matriculó durante esos 5 días lo borraremos de la lista de espera.

“¿Cómo sé si se ha desocupado un lugar?”

Usted es responsable de controlar su posición en la lista de espera para matricularse si se ha desocupado un lugar para usted. Para controlar su posición en la lista, use la función Manage My Waitlist en el WebAdvisor. Si en su condición se lee “Permision”, puede matricularse en esa clase.

El WebAdvisor no puede permitirle matricularse si está repitiendo un curso, si no satisface los requisitos previos o si la clase se sobreponen con otra clase. Llámense al (831) 479-6201 para ver si necesita matricularse en persona.

Como una cortesía, le notificaremos por correo electrónico cuando pueda matricularse para la sección. ¿Tenemos su dirección de e-mail correcta? Póngala al día usando el WebAdvisor o un formulario de Cambio de Información.
PREGUNTAS HECHAS CON FRECUENCIA

“¿Qué pasa si no desocupo un lugar?”

Todavía puede haber una oportunidad. Asista a la primera clase y hable con el instructor. Si hay lugar, obtenga un código para agregar y uselo para matricularse en la clase en WebAdvisor.

¿Qué pasa si he recibido permiso para matricularme en un curso co-requisito pero no en el otro?

WebAdvisor le permitirá matricularse en Internet solo si tiene permiso en los dos cursos co-requisitos. Si obtuvo permiso para matricularse en un curso con co-requisito de laboratorio en el que no hay lugar, DEBE matricularse para ambas secciones en la Oficina de Admisiones. Si recibió permiso para matricularse en la sección de laboratorio pero no hay lugar en el curso co-requisito, no podrá matricularse a menos que se desocupe un lugar en el curso. Ejemplos de esta situación son Español 1 con co-requisito de Español S1L e Inglés 1A, con laboratorio co-requisito Biblioteca 10.

“¿Puedo anotarme en múltiples listas de espera para distintas secciones del mismo curso?”

No. Además, no puede matricularse en una sección de un curso en la lista de espera de otra sección del mismo curso, ni siquiera en dos semestres diferentes. Por ejemplo, si está en la lista de espera para BIO 10 en el curso de verano y luego se matricule en BIO G en el otoño, su nombre será borrado de la lista de espera del verano.

“¿Cómo abandono una clase?”

Use WebAdvisor en Internet en www.cabrillo.edu para abandonar una clase.

- Vea la página 1 para el plazo para abandonar una clase de todo el semestre y recibir un reembolso o la reversión del cargo.
- Para evitar una “W” como calificación, debe oficialmente abandonar la clase. Vea la página 1 para el plazo específico.
- Para evitar una “F” o “NP” como calificación, debe borrarse de la clase oficialmente. Vea la página 1 para la fecha específica.

Cuando abandona una clase es su responsabilidad hacerlo en el plazo indicado. No asuma que está automáticamente borrado de cualquier clase, o que u instructor lo ha borrado de la clase. Para recibir reembolso o para que se revierta el cargo, debe oficialmente abandonar la clase usando WebAdvisor antes del plazo especificado.

¿Recibe ayuda financiera? Antes de abandonar o borrarse de una clase, comuníquese con la Oficina de Ayuda Financiera. En algunas situaciones deberá reembolsar la ayuda financiera que ya recibió. Los estudiantes que reciben ayuda financiera que planean abandonar los cursos completamente, deberían presentar el formulario de Intención de Abandonar las Clases en la Oficina de Ayuda Financiera.

¿Abandona una clase para poder tomarla el próximo semestre? Tenga cuidado: Apartir del verano de 2012 se les permite a los estudiantes SÓLO otros intentos para pasar un curso exitosamente, y después de esos tres intentos no pueden volverlo a tomar en Cabrillo. Averigüe todos los detalles sobre esta nueva reglamentación estatal y lo que puede significar para usted.

“¿Cómo puedo obtener un reembolso o revertir el arancel de una clase?”

Los reembolsos o reversiones de cargos se aplican solamente si abandona un curso de todo el semestre antes de la fecha de plazo indicada en la página 1. Si la clase es cancelada, se reembolsarán el costo de la matriculación y los demás aranceles. Los cursos más breves tienen distintos plazos.

La Oficina de Admisiones NO lo excluirá de la clase por no pagar los aranceles, y usted deberá esos aranceles aunque no asista a la clase, a menos que abandone oficialmente la clase antes del plazo para recibir reembolso. Si decide no continuar en una clase, bórrese de la clase usted mismo. Sí, espera que el instructor lo borre, no recibirá reembolso ni reversion del cargo. Y no siempre el instructor borra a los estudiantes.

Todos los reembolsos o desembolsos están disponibles por medio de la tarjeta Cabrillo Access Debit MasterCard. Entre en http://www.cabrillo.edu/services/welcomcenter/studentaccounts/cab-access-card.html para seleccionar la opción de reembolso o desembolso que le sea más conveniente. Asegúrese que su domicilio esté correcto para asegurar la cuenta. Y siempre el instructor borra a los estudiantes.

Para evitar una “F” o “NP” como calificación, debe oficialmente abandonar la clase. Vea la página 1 para el plazo específico. Para evitar una “W” como calificación, debe oficialmente abandonar la clase. Vea la página 1 para el plazo específico.

“¿Cuál es el plazo para reembolsos/reversión de cargos de los permisos de estacionamiento?”

Lea la página 1 para las fechas de plazos. Si ya ha recibido su permiso de estacionamiento, debe devolvélo antes del viernes previo a la fecha de plazo para que se revierta el cargo. No se hacen excepciones.

“¿Qué pasas si mis cargos son pagados por una agencia?”

Si una agencia o programa paga sus aranceles, debe ser enviado un comprobante de autorización para enviar factura” cinco días después de su matriculación (en vez del pago). Recuerde guardar una copia de su comprobante o autorización. Cabrillo le enviará la factura a la agencia o programa. Agencias o programas que pagan aranceles incluyen (pero no se limitan a): CareerWorks, Summer Migrant Program, E.D.D., Disability Compensation, programas para Veteranos, empleadores.

“¡Ay! Mi cheque rebotó.”

Secobrará un arancel de servicio de $25,00 por todas las transacciones de cheques y tarjetas de crédito que le sean devueltos al college por dificultades con la cuenta. Si su transacción con cheque o tarjeta de crédito rebotó, le notificará el por e-mail. Su matriculación y sus calificaciones serán retenidas hasta que ponga su cuenta al día. El arancel que había sido pagado con un cheque que rebotó no puede ser vuelto a pagar con otro cheque personal, sino que debe pagarse en efectivo, giro postal o cheque de cajero.

“¿Cuáles son los requisitos de residencia de Cabrillo College?”

Para calificar como residente de California debe satisfacer lo siguiente:

1. Ha vivido en California por lo menos un año y un día antes del comienzo del semestre.
2. Debe demostrar su intento de establecer residencia en California presentando documentación específica en la lista de documentos aprobados, disponible en Internet en http://go.cabrillo.edu/ca-res.

Además lo anterior, si usted:

2. No es ciudadano de los EE.UU. pero puede verificar que ha solicitado su residencia a United States Citizenship and Immigration Services por lo menos un año y un día inmediatamente antes del comienzo del semestre, o que tiene una visa que le permite establecer residencia en California.

ABS401 permite a ciertos estudiantes no residentes que han asistido por tres años a una escuela secundaria en California y han recibido el diploma de la escuela secundaria o equivalente, ser eximidos de pagar aranceles de matriculación de no-residentes o su equivalente. Comuníquese con la Oficina de Admisiones si tiene alguna pregunta sobre residencia.

Recuerde: si su condición de residencia cambia de no-residente a residente mientras está matriculado en Cabrillo, debe presentar en la Oficina de Admisiones un cambio de Condiciones de Residencia, con una declaración de residencia legal y la documentación para cambiar su condición. No hacemos cambios retroactivos a la Condiciones de Residencia.

La Oficina de Admisiones NO lo excluirá de la clase por no pagar los aranceles, y usted deberá esos aranceles aunque no asista a la clase, a menos que abandone oficialmente la clase antes del plazo para recibir reembolso. Priority Registration at California Community Colleges:

**How to get it. How to keep it.**

Changes to priority registration throughout the California Community Colleges system will help you get the courses you need to meet your educational goals. Priority registration will be given to students who complete orientation, assessment for course placement, and either work with a counselor to develop an education plan or have put classes into Student Planning on WebAdvisor. You must also succeed in your classes and stay on track. Cabrillo College will be providing services to help.

**Cabrillo College’s Registration Priorities**

Priority registration is designated specifically for students who enroll in Cabrillo College for the purpose of a degree or certificate attainment, transfer to a four-year college or university, or career advancement. Therefore, new students who have completed orientation and assessment, developed an education plan, declared a major, and maintained good academic standing will be granted higher priority for registration.

The Admissions & Records office notifies students of their registration dates and times by e-mail. The information is also available to students via WebAdvisor.

**Priority Groups**

A. Veterans, foster youth (and former foster youth), students in the following programs: Extended Opportunity Program and Services (EOP&S), Accessibility Support Center (ASC), and CalWorks who have completed orientation, assessment, and an initial education plan

B. Continuing students with 30 - .99.9 Cabrillo units who have completed orientation, assessment, an education plan, declared a major, and in good standing

Matriculación de prioridad en los Community Colleges de California:

Cómo obtenerla. Cómo mantenertela.

Los cambios de la matriculación de prioridad en todo el sistema de Community Colleges de California le ayudarán a obtener los cursos que necesita para lograr sus metas de educación. Seles dará matriculación de prioridad a los estudiantes que completan la orientación y la evaluación para ubicación en los cursos, y que trabajen con un consejero para desarrollar un plan de educación o que hayan puesto los cursos en el Student Planning en WebAdvisor.
