

**DENTAL HYGIENE**

**DH 160 Oral Health Education**

Presents concepts of oral disease, prevention, and promotion of positive attitudes and behaviors toward oral health. Prerequisites: Acceptance to the Cabrillo Dental Hygiene Program; PSYCH 1 or PSYCH 1H; CAHM 20

Section	Days	Times	Units	Instructor	Room
98321	F	1:00PM-3:05PM	2.00	J.Gunn	HW2113
&	F	3:15PM-4:05PM		Gunn/Nazari	HW2114

**DH 162A Patient Assessment I**

Introduces medical-dental history, oral inspection, oral manifestation of diseases and emergencies. May be offered in a Distance-Learning Format. Prerequisite: Acceptance to the Cabrillo Dental Hygiene Program.

Section	Days	Times	Units	Instructor	Room
99809	W	1:30PM-3:55PM	2.50	N.Kelsch	HW2212
&	W	4:05PM-4:55PM		B.Clark/N.Kelsch	HW2114

**DH 163A Dental Radiology**

Presents principles of dental radiation theory including: radiographic techniques, laboratory and clinical application, radiation safety principles, equipment operation, processing and mounting. May be offered in a Distance-Learning Format. Prerequisite: Acceptance to the Cabrillo Dental Hygiene Program.

Section	Days	Times	Units	Instructor	Room
98323	T	8:15AM-10:20AM	3.00	B.Clark	HW2113
&	T	10:40AM-11:30AM		B.Clark	HW2113
&	T	12:30PM-2:35PM		B.Clark	HW2115
&	T	2:45PM-4:50PM		B.Clark	HW2115
&	TH	9:00AM-9:50AM		B.Clark	HW2113
&	TH	10:00AM-12:05PM		B.Clark	HW2115
&	TH	1:00PM-3:05PM		B.Clark	HW2115

2 hr lecture for all students meets Tuesday 8:15am-10:20am. 3 hr Lab: Groups 1-2 meet Tuesday between 10:40am-4:50pm; Groups 3-4 meet Thursday between 9:00am-3:05pm.

**DH 170**

**Tooth Morphology, Oral Histology, and Oral Embryology**

Discriminates between normal and abnormal clinical appearance of the permanent and deciduous dentition as well as in-depth oral histology and oral embryology. May be offered in a Distance-Learning Format. Prerequisite: Acceptance to the Cabrillo Dental Hygiene Program.

Section	Days	Times	Units	Instructor	Room
98324	M	1:30PM-3:35PM	2.00	N.Vanoli	HW2113
&	M	3:45PM-4:35PM		Vanoli/Kelsch	HW2113

**DH 171**

**Introduction to Clinical Dental Hygiene**

Introduces dental terminology, blood borne pathogen guidelines, basic instrumentation skills, proper positioning and ergonomics, and time management for the dental hygiene student. May be offered in a Distance-Learning Format. Prerequisite: Acceptance to the Cabrillo Dental Hygiene Program.

Section	Days	Times	Units	Instructor	Room
98325	M	8:00AM-11:05AM	6.00	N.Vanoli	HW2113
&	M	11:15AM-12:05PM		W.Black	HW2114
&	M	11:15AM-12:05PM		N.Vanoli	HW2114
&	W	8:00AM-12:05PM		W.Black	HW2114
&	W	8:00AM-12:05PM		N.Vanoli	HW2114
&	W	8:00AM-12:05PM		C.Foster	HW2114
&	F	8:00AM-12:05PM		W.Black	HW2114
&	F	8:00AM-12:05PM		C.Foster	HW2114
&	F	8:00AM-12:05PM		N.Vanoli	HW2114

**DH 180**

**Oral Pathology**

Introduces general pathology and clinical pathology of diseases affecting the oral, head and neck areas. May be offered in a Distance-Learning Format. Prerequisite: Acceptance to the Cabrillo Dental Hygiene Program.

Section	Days	Times	Units	Instructor	Room
98326	M	10:15AM-12:20PM	2.00	S.Reddy	HW2212

### DH 181 Clinical Dental Hygiene II

Introduces advanced clinical techniques, advanced treatment planning, and evaluation of treatment through clinical experiences at Cabrillo and possibly outside clinics. Third in a four-course series. May be offered in a Distance-Learning Format. Prerequisites: Acceptance to the Cabrillo Dental Hygiene Program; DH 173.

Section	Days	Times	Units	Instructor	Room
98327	W	1:30PM-3:35PM	8.50	J.Gunn	HW2113
&	M	1:00PM-5:05PM		C.Lemon	HW2114
&	M	1:00PM-5:05PM		B.Clark	HW2114
&	M	1:00PM-5:05PM		W.Black	HW2114
&	T	7:45AM-11:50AM		C.Lemon	HW2114
&	T	7:45AM-11:50AM		.Staff	HW2114
&	T	7:45AM-11:50AM		M.Eurs	HW2114
&	T	1:00PM-5:05PM		C.Lemon	HW2114
&	T	1:00PM-5:05PM		J.Coffey	HW2114
&	T	1:00PM-5:05PM		J.Gunn	HW2114
&	T	1:00PM-5:05PM		W.Black	HW2114
&	TH	7:45AM-11:50AM		J.Gunn	HW2114
&	TH	7:45AM-11:50AM		J.Ray	HW2114
&	TH	7:45AM-11:50AM		.Staff	HW2114
&	TH	1:00PM-5:05PM		J.Ray	HW2114
&	TH	1:00PM-5:05PM		J.Gunn	HW2114
&	TH	1:00PM-5:05PM		L.Gabbert	HW2114
&	TH	1:00PM-5:05PM		L.Albers	HW2114

### DH 182A Advanced Case Studies

Provides opportunity to apply critical thinking skills in relating theoretical principles to clinical practice using a case study approach. May be offered in a Distance-Learning Format. Prerequisite: Acceptance to the Cabrillo Dental Hygiene Program.

Section	Days	Times	Units	Instructor	Room
98328	W	11:00AM-11:50AM	1.00	B.Clark/S.Reder	HW2113

### DH 186A Community Oral Health

Introduces the principles and practices of dental public health, and the role of the dental hygienist as an innovator of and educator in community health programs. Prerequisite: Acceptance to the Cabrillo Dental Hygiene Program.

Section	Days	Times	Units	Instructor	Room
98329	W	8:45AM-10:50AM	2.00	N.Kelsch/R.Cross	HW2113

### DH 455 Dental Terminology

Teaches fundamentals of dental/medical word building with an emphasis on prefixes, word roots, suffixes, combining forms, abbreviations, and lay terms. Provides a background for any dental course.

Section	Days	Times	Units	Instructor	Room
3(103886)	F	9:00AM-11:15AM	0.00	L.Gabbert	HW2212
&(103886)	F	11:15AM-12:15PM		L.Gabbert	HW2212
