20th Spring Forward Against Cancer Gala
Local Group Distributes Over $1.5 million in Support of Cancer Research

SANTA CRUZ — The Santa Cruz Cancer Benefit Group will hold its 20th Annual Spring Forward Against Cancer Black Tie Event on Saturday, May 2nd at the Sessions House at Cabrillo College in Aptos, CA. This year’s theme — A Night in Casablanca — will transport attendees to Rick’s Café America in where they will enjoy a fabulous gourmet dinner and wine, while ‘Sam’ tickles the ivory keys. Emmy Nominated KSBW Action News Anchor Dale Julian will emcee the event.

In 1995, five friends came together to dedicate their time and energy to raise money in support of those living with cancer and support the research that could lead to a cure. The first annual Spring Forward Against Cancer Celebration, “Volley for Cancer,” was a tennis tournament that raised $2000. Twenty years later, the group has grown to 13 board members, over 50 active volunteers and is looking to distribute two million dollars by 2016 for local cancer research and support services.

Spring Forward Against Cancer Gala: Saturday, May 2. This year we will transport our guests to Morocco for “A Night in Casablanca.” RSVP Required. Event Includes: Piano Reception, the County’s Largest Art, Wine and Lifestyle Auction, gourmet dinner, dancing, music and more. This event will sell out in advance.

Tickets: $175 per person (includes wine with dinner) or tables of 10 for $2,300. Corporate table sponsorships are available. Please contact the Santa Cruz Cancer Benefit Group for additional information.

Get your tickets now for what is sure to be the best party of the year. Visit: http://www.scceb.org/ or call 831-465-1989.

All proceeds benefit the following Santa Cruz County organizations: Hospice of Santa Cruz County, Jacob’s Heart Children’s Cancer Support Services, Katz Cancer Resource Center, UCSC Biomeds, Scientists, Teen Kitchen Project and WomenCARE Cancer Advocacy.

Santa Cruz Cancer Benefit Group is a non-profit organization dedicated to improving the quality of life for people living with cancer in the Santa Cruz community. Working with a dedicated group of volunteers and partners, the organization raises community consciousness through events and outreach and provides vital financial support for beneficiary organizations. Through these efforts, the organization has a particular focus on new research and the development of improved and more effective treatment solutions for cancer.
